

Community Bus Charter Booking Information

The following 3 steps **MUST** to be followed when booking a Community Bus Charter.

1. Contact Council's Community Programs Officer on 8405 6702 prior to making any arrangements, to ensure that a bus is available.

(To avoid disappointment it is essential to plan well in advance)

2. Contact a Volunteer Driver from the list provided.

Please Note: The City of Port Adelaide Enfield only permit our Volunteer Drivers to drive Council buses. All of our drivers are volunteers and not paid professional drivers and as such we are fortunate to have so many willing Volunteer Drivers who offer their time and services for the community.

Please keep in mind that these volunteers may not always be available when you require a driver.

3. **"Confirmation of Booking"** form and **"Conditions of Use"** form must be completed, signed and returned at least **10 days** prior to the Charter date to secure the booking.

Please Note: It is **compulsory** for all passengers to wear a seat belt whilst travelling on buses fitted with seat belts.

If you require any additional information or wish to make a booking, please contact Council's Community Programs Officer on telephone 8405 6702.

Community Bus Charter Cost & Bus Availability

Cost

The following costs which are GST inclusive apply to all organisations as of 1 September 2014.

To establish the final charge both options **(a)** hourly rate and **(b)** kilometre rate will be calculated separately and **only** the greater of these two calculations will be the final charge.

(a) Hourly rate	\$14.50
(b) Kilometre rate	\$1.50

*As an example, the hourly rate would be used if you travelled around Port Adelaide for a whole day but did not incur a lot of kilometres, whereas the kilometre rate would be used if you travelled an extended distance, for example to Victor Harbor, as the cost for the number of kilometres used would have exceeded the number of hours used.

Minimum Charges

A Minimum charge of \$45.00 applies to each Charter, which includes 30km or 3 hours. This is not charged in addition to the hourly or kilometre charge.

Please note: Charter costs are calculated from when the bus departs the Kilburn Depot to its return to the Depot.

Eligibility

The service is available for locally based not-for-profit organisations or community groups with otherwise limited access to affordable group transport services. All hirers must agree to the "**Conditions of Hire**".

A \$45.00 charge will be incurred if a booking is cancelled less than 48 hours before the charter.

Community Bus Charter Service Information

Destination Restrictions

Charter destination must be within 100 kilometres of the Kilburn Depot, although no limit is set on total distance travelled (refer to attached map destination restrictions).

Booking Restrictions

To ensure fair distribution of community transport services to all eligible groups, any one group shall not be permitted to book a bus on a weekly basis during the day. Each group may only hire the bus once per month.

Booking Procedures

To book a Community Bus it is essential that you contact Council's Community Programs Officer on 8405 6702 prior to making any arrangements. Many community groups use the community buses so advance planning is **essential**.

Once the booking has been made, the attached "**Confirmation of Booking**" and "**Conditions of Hire**" forms must be completed, signed and returned as soon as you have booked your driver. **To secure the booking(s), the forms must be returned to Council at least 10 days before the outing.**

Drivers

- Council requires that Charter groups use the services of our Volunteer Drivers.
- There is no cost for the services of the drivers as they are Council volunteers. We ask, therefore, that the Charter group involve the driver in the day's activities, including provision of a meal if the driver is required over a meal time (e.g. over lunch or dinner). Please do not offer the driver any monetary reward for their services as this is not appropriate.
- If unforeseen circumstances arise where a driver is no longer able to drive and no replacement driver is available, the Charter will be cancelled.

Emergency Situations

A mobile phone and a First Aid Kit are located on all the Community Buses and are to be used in the event of an Emergency.
