

Request for Public Notification Documents

Pursuant to Regulation 34(3) of Development Regulations 2008

Copies of Development Application documents on public notification may be inspected at the Council's Civic Centre, the relevant Library - Council Office or online at Council's website www.cityofpae.sa.gov.au/development-forms

Provisions of the Development Act and Regulations state that a person is entitled, upon request, to obtain a copy of planning documents whilst an application is on public notification. The provision of such documents is restricted to the 10 business day notification period. The Regulations require that, upon making a request for copies of documents, a person must provide specific identifying information such as a Drivers Licence or Passport.

Photocopy fees will be waived for the first 10 pages requested. Standard Council fees will apply thereafter.

Please note that Council is not required to provide copies of documentation that are deemed to fall within either of the following categories:

- Any plans, drawings, specifications or other documentation that relates to the assessment of the proposed development against the Building Rules and which are not reasonably necessary for determining whether development plan consent should be granted;
- Any plans, drawings, specifications or other documents or information if to do so would, in the opinion of the relevant authority, unreasonably jeopardise the present or future security of a building.

I request copies of the following documents that are currently on public notification and held by the City of Port Adelaide Enfield
