# Libraries

# Welcome

# YOUR LOCAL LIBRARY

# Libraries

GREENACRES | ENFIELD | PARKS  
PORT ADELAIDE | SEMAPHORE

# You'll find a range of free resources, services, technology, programs and events at our libraries to suit all ages.

## TOY COLLECTION

Encourage play and your child's development with a range of toys to borrow from the free Toy Collection at Parks. Hand picked by the library team, the only decision to make is which toys to take home.

## HOME LIBRARY

If you can't come into the library due to illness or disability, our Home Library Service can come to you with books and resources straight to your door. We can also arrange visits and delivery to retirement villages and nursing homes.

For more information contact Enfield Library, 8405 6530 or [library@cityofpae.sa.gov.au/library](mailto:library@cityofpae.sa.gov.au)

## COMMUNITY AND MEETING ROOMS

Community and meeting rooms are available for use and hire, ideal for your next event, class or meeting. You'll also find kitchen and audio visual facilities at some sites.

To book, or to find out more about the rooms, visit [cityofpae.sa.gov.au/library](http://cityofpae.sa.gov.au/library)

## MEDIA ROOM AND MAKERSPACE

The Media Room at Parks Library will be a one stop shop for your video and sound recording needs – book this space for your next YouTube video or podcast. Crafty and creative types haven't been forgotten either with our dedicated Makerspace featuring virtual reality technology, 3D printers and space for learning a new craft. The only limit is your imagination.

## CHANGING PLACE

Parks Library features a changing place, providing an inclusive space for those who require additional support. With an adult change table and tracking hoist system, this space will help individuals and their carers to participate in the social life of our community.

## COUNCIL SERVICES

Need to pay your Council rates, accounts or infringements, register your dog or lodge a building or planning application? Enfield and Greenacres Libraries each have a Council desk where they can provide information and answer questions.

## LOCAL HISTORY COLLECTION

Get lost in our area's past with the City of PAE's Local History Collection, located at Port Adelaide Library. Look through our collection of books and photographs, family history, Birth, Deaths and Marriages indexes, cemetery records and maps. Want to know more about your family history? We hold regular one on one sessions with a Local History team member.

For more information contact Port Adelaide Library, 8405 6580 or to book a session visit [cityofpae.sa.gov.au/library](http://cityofpae.sa.gov.au/library)

## TECHNOLOGY

Step into any of our libraries and discover technology at your fingertips. There is free WiFi and computers, device charging facilities and iPads found in most children's areas. You'll also find programs to help develop or improve your digital skills as well as tech programs just for kids.

## PROGRAMS AND SESSIONS

City of PAE Libraries is the perfect place to pick up a new skill and explore, with a range of courses including community sessions on the latest topics, digital literacy, local history, arts and more.

### FOR THE KIDS

Your little and big kids will love our regular sessions, encouraging play, imagination and literacy and includes Baby Bounce, Storytime, Creative Kids and STEM Squad. We also run a themed school holiday program every holiday period.

### FOR TEENS

Encourage your child's creativity and passion in fun and interactive sessions such as Anime Club or Teen Scribblers.

### FOR ADULTS

Discover new technology, join a book club, have your digital questions answered in a one on one session or attend one of the many workshops, programs or events available.

FOR MORE INFORMATION ABOUT THE SESSIONS, TO FIND OUT WHAT'S ON OR TO BOOK, VISIT THE EVENT CALENDAR AT
