Adventure Hunt
and WIN!

The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kurna peoples of the Adelaide Plains and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kurna peoples living today.

Mayor Claire Boan

Autumn is here, bringing with it a change in the weather. There are also changes afoot in our local community, as major construction projects like Yitpi Yartapuultiku and Largs Bay Foreshore playground, with its wonderful and whimsical ice cream theme, get underway. At PAE, every project we undertake is a vital part of our City's continued growth and success, and we strive to create a cityscape that is reflective of our community's spirit.

Your Elected Members work hard to adapt to the evolving needs of our community, while ensuring that our services meet your expectations responsively and efficiently. Getting to know your local Member is a great way to start a conversation about the things that matter to you, because the Councillors represent local needs and concerns. Having a chat with them is your chance to share your

views, influence policy decisions and contribute to shaping the future of your community. You can also follow us on social media to keep up with the regular community catch-ups that the Elected Members and I have with each other.

Another way to influence our decision-making is to take part in a consultation through our Participate PAE page. Many projects we undertake, big or small, begin life with a community consultation — so check this page to see what's happening near you and to let us know your thoughts. You can also check out Participate PAE for updates on all our projects, as well as to find a capital works map that shows every project that's taking place in and around PAE.

Most importantly, our community thrives because of the remarkable individuals who

shape it. In January, it was a privilege to welcome 71 new Australian citizens at our Australia Day Citizenship Ceremony, where we also presented our annual Australia Day Awards. These awards are a way for us to express our gratitude to the outstanding families, neighbours, friends and colleagues whose contributions significantly enrich our City. My congratulations and heartfelt thanks to each of the winners, as well as to all the nominees, whose efforts embody the true Australian spirit (see p. 4).

As always, this edition of PAE Today is jam-packed with local news, along with things to see and do in PAE. Enjoy the cooler months and I hope to see you out and about in our City one day soon.

Australia Day Awards 2024

Meet the recipients.
Scan the QR code to watch all the highlights from this year's event.

The City of PAE Australia Day Awards highlight exceptional achievements and excellence in our local community, emphasising the vital role of service within Australia. These awards acknowledge and reflect upon the significant efforts of people who give back to our community. This year, on Wednesday 24 January, we hosted our annual ceremony to express gratitude to some outstanding members of our local community.

Receiving an Australia Day Award is a prestigious honour — and it's also our way of expressing gratitude to the remarkable families, neighbours, friends and colleagues whose contributions have enriched our City. While these individuals may not live their lives in the limelight, the influence and impact of their actions on our community is immeasurable.

CITIZEN OF THE YEAR

Julie Bailey

Julie has been a member of the Semaphore branch of the South Australian Country Women's Association for 23 years — including 22 years as treasurer and four years as chair of the State Handicraft Committee. Julie also co-ordinates baby parcels for people in need, along with supply parcels for people who live in the APY Lands. Her volunteer work makes an enormous difference to the community at both a state and local level.

COMMUNITY EVENT OF THE YEAR

Light for the Bight

Hosted by Traditional Custodians of the Mirning community, the Light for the Bight twilight lantern parade took place on 14 October 2023. Celebrating the Jeedara Creation Story, it brought people together on the Semaphore Foreshore to acknowledge the Mirning people's culture and Country. There was also an opportunity for people to make lanterns for the parade in the lead-up to the event under the guidance of artists.

RECIPE OF THE SEASON

Passionfruit and coconut yoghurt parfait

Ingredients:

- 1 cup Greek yoghurt
- 2 tablespoons honey or maple syrup (adjust to taste)
- 4 passionfruit, pulp scooped out
- ½ cup granola
- ¼ cup shredded coconut
- Fresh mint leaves for garnish (optional)

Method:

1. Prepare the yoghurt base: In a bowl, mix the Greek yoghurt with the honey or maple syrup until well combined. Adjust the sweetness according to your preference
2. Layering: In individual serving glasses or bowls, begin by spooning a layer of the sweetened yoghurt into the bottom of the glass/bowl. Spoon a layer of passionfruit pulp over the yoghurt, and then sprinkle a layer of granola over the passionfruit
3. Repeat the layers until you reach the top of the glass or bowl, ending with a dollop of yoghurt on top
4. Finish by sprinkling the shredded coconut over the yoghurt layer for a tropical twist
5. Optional: Garnish with some fresh mint leaves or other seasonal fruit for a burst of colour and freshness
6. Eat immediately or, for a refreshing experience, refrigerate the parfaits for 30 minutes before serving

If you have a cherished recipe that you'd like us to feature in an upcoming edition, please share it with us. Whether it's a comforting dish passed down through generations or a personal creation inspired by local culture, we'd love to hear the story behind your culinary masterpiece.

Email communications@cityofpae.sa.gov.au and don't forget to include a brief description explaining why this recipe is significant to you. PAE Today is published seasonally, and we are currently seeking recipes suitable for winter. Your culinary creations could take centre stage in our next issue!

OLDER CITIZEN OF THE YEAR

Ian Bailey OAM

From 2002 till late last year, Ian (no relation to Julie) was the volunteer Chief Executive Officer of Clearview Bowling Club, a vibrant, strong and sustainable space where people could be physically active and forge friendships. Ian also worked for 30 years with Disability Bowls to support opportunities for people with disability to participate in sport and recreation opportunities. When changes in the community recently saw the club needing to close, Ian worked to keep the club in a financially responsible position so that it could donate its remaining finances to organisations that support people with disability. With the club's closure, Ian, who is 84 years old, is now continuing his community work as a PAE volunteer.

JUNIOR CITIZEN OF THE YEAR

Max Osborne

At just nine years old, Max Osborne exemplifies the spirit of community service. Despite facing challenges in his own life, Max raises funds for the Largs Bay RSL, creating and selling earrings and brooches and then donating 100% of the profits to the club. Max's generosity and big heart extend even further to delivering food and water to people who are experiencing homelessness in his local community.

EMERGING EVENT OF THE YEAR

CHATS in Cars

Community Help and Togetherness (CHATS) is a volunteer-driven charity that serves up a fully cooked three-course meal every Friday morning to 100 people facing hardship in the western suburbs and provides them with essential groceries and clothing. Their new initiative, the inaugural CHATS in Cars event, took place on a cold night in June 2023, involving 25 cars in a sleep-out to raise awareness for those sleeping rough in the western suburbs.

SERVICE TO COMMUNITY

YOUNG CITIZEN OF THE YEAR

Denzel James

An influential figure in the community, Denzel advocates for young people in PAE. His remarkable dedication and unwavering determination to bring about positive change have earned him nationwide recognition as a visionary leader, and in 2023 he achieved the prestigious honour of being chosen as one of nine Youth Ambassadors for UNICEF Australia.

AUTUMN LEAVES FALLING

Keeping streets clean

At PAE, we are committed to increasing our tree canopy by 35% by 2050 by planting and growing trees throughout our City. Autumn is the time of year when our beautiful deciduous trees shed their leaves in preparation for winter's dormant days. While our Street Sweeper will continue to come through the streets of your neighbourhood on a regular schedule, please contact us to request an additional sweep to prevent flooding if your stormwater drains are clogging up with unwanted leaf debris.

Caltrop: A prickly problem

Heavy rainfall over the last summer has led to more caltrop than normal growing around Adelaide. Sometimes called the 'three-corner jack', this weed poses a significant threat to both agricultural produce and animal safety. To combat it, we implement an extensive Caltrop Management Program annually from October to March, adjusting the schedule based on seasonal variations in rain and temperature. Our approach involves targeting known affected areas on Council land (for example, reserves, playgrounds, footpaths and the verge). We use

herbicides on the plants before they begin to seed — or, if seeding has already started, we manually remove and safely dispose of both the plants and their seeds. We also record each infested location with GPS, which allows us to revisit these spots during the current treatment season if there is additional heavy rain and heat, as well as in subsequent seasons. Given how vast our City area is, we depend on the community's help to identify and report new occurrences. If you spot caltrop growing, please report it to us online at ecouncil.portenfsa.gov.au or by calling ☎ **8405 6600**. This allows us to incorporate these locations into our management program or to take necessary action promptly.

Sustainable living webinars for practical solutions

There are some simple, practical steps you can take to cut energy bills and make your home more comfortable all year round by adapting your home to be more sustainable through design, water use and electricity. Throughout 2023, we joined with councils across SA to run a series of webinars that discussed these steps. The webinars are now all available online to watch for free at adaptwest.com.au/sustainable-homes-expert-webinars-2023

If you have an idea for a program, event, project, workshop or other activity, we would like to hear from you.

We're also seeking a expressions of interest to establish a new hospitality venture within the cultural centre and are looking for a sole proprietor and/or collaboration, to deliver management of the kitchen and café, hospitality training and catering provision.

Neighbour Day Celebrations 2024

Neighbours Every Day is a year-round campaign with a dedicated day-of-action called Neighbour Day, celebrated annually on the last Sunday in March.

Neighbour Day was inaugurally launched in Melbourne in 2003, and since 2014 it has been under the custodianship of Relationships Australia. Now, as the leading social connection campaign in Australia, Neighbours Every Day continues to grow and support everyone in Australia to build respectful and sustainable relationships with people around them.

Many individuals and organisations continue to show support for Neighbours Every Day. Here at PAE we have collaborated this year with our local businesses — including the Port Adelaide Plaza Shopping Centre, Pear Café in Alberton, Heart of Semaphore Café in Semaphore, Baristro Café in Northgate, North East Community House, the City of PAE Libraries and Lefevre Community Stadium — to bring you a series of free events and activities. We look forward to seeing you there!

REVITALISING RECREATION

A hole-in-one for wellness and inclusivity

Golf is a sport bound by customs and tradition, dominated by competition and the pursuit of excellence. In recent times, however, there has been a noticeable shift in the game, and today playing golf is as much about embracing wellness and forging social connections as it is about match fitness.

At the forefront of this transformation is Regency Park Community Golf Course, owned by the City of PAE and operated by Greenspace Management. At Regency Park, we are breaking barriers to make the game more accessible and welcoming to a diverse range of players. In a departure from the conventional male and female tee choices, we have introduced a third tee at each hole. We now offer a gender-neutral option along with a personalised colour choice at each hole, encouraging golfers to choose tee lengths based on their driving distance and skill level. Our aim is to offer a more enjoyable, flexible and inclusive game for players of all abilities, so that everyone has an equal opportunity to enjoy the game to its fullest.

With the addition of a wide range of community events, the fabulous Shanx mini golf course and other enhancements, at Regency Park Community Golf Course our vision is to create a welcoming, inclusive environment where the love for golf transcends traditional boundaries. Join us in embracing this new era of golf — a sport that values skill and the joy of playing together.

Get Shady

PAE Tree Giveaway

SIGN OF THE TIMES

The story behind White Hollow Reserve

Affectionately known as the 'Snake Pit' by locals, White Hollow Reserve in Taperoo now has new signage, telling the history of the reserve and the Robert Crouch Sandhill Circuit. According to Robert's son George, who originally contacted us to replace the old sign after it went missing,

“Dad designed the original course and was instrumental in getting it completed here for the community to enjoy, so it is great to see the new signage here telling the story.”

The popular, free fitness track is enjoyed by recreational users but feared by elite athletes, including AFL teams, who pound up and down its steep slopes throughout the season before diving into the nearby sea to recover. The reserve is also an important site for biodiversity, with a wide range of plant and animal life calling it home.

Through the Get Shady initiative, we will provide 300 property owners across our City with a free advanced tree (nursery value \$60–\$80) to plant on their private land. This initiative will help us achieve our ambitious target to increase PAE's tree canopy by 35% by 2050.

Follow the project on **Participate PAE** to learn more about why our tree canopy is so important and see a map of where these trees will be planted across the City.

Revitalising Semaphore

Revised Foreshore Master Plan

We've been busy working behind the scenes with the design team to revise our draft designs for the Semaphore Foreshore Master Plan to deliver a highly valued community space for everyone. We've spent a lot of time going over your feedback, particularly around eight key themes that came out loud and clear from our community during the engagement in 2022. In the revised Master Plan that we are proposing, we have considered all the ideas that people loved in the original Master Plan, while at the same time making sure to offer something for everyone in our community.

We encourage you to visit Participate PAE and follow the project. We look forward to hearing what you think about our revised Master Plan for the Semaphore Foreshore, just search:

Harmony Day 2023

HARMONY CELEBRATION

A month of inclusivity in PAE

The rich diversity of our population in PAE is a cornerstone of our identity and one of our greatest strengths. It's not just a part of who we are — it is at the very heart of our community, making our City an exceptional place to live, work, learn and play.

Harmony Week, which runs from Monday 18 to Sunday 24 March throughout Australia, takes as its motto 'Everyone belongs', encouraging us to appreciate individuals from all backgrounds and walks of life. It is a collective effort to convey the resolute message that there is no room for racism or discrimination in our communities. It includes Harmony Day and the International Day for the Elimination of Racial Discrimination, both of which we celebrate on Thursday 21 March. Throughout March, our website will feature comprehensive information about a host of activities and events designed to foster respect, encourage participation, promote inclusivity and instil a profound sense of belonging for everyone.

PAE Youth visiting the Council Chambers

CELEBRATING PAE YOUTH

Sponsoring young people to participate in parliament

The YMCA South Australia Youth Parliament is a program aimed at helping young people aged between 15 and 25 years old to develop leadership skills, gain an understanding of parliament and learn about democracy. In 2023, we sponsored 10 local young people between 16 to 19 years old to participate in the program. For seven of these young people this was an entirely new experience, giving them the opportunity to meet with Elected Members, who shared their experience, learning and aspirations for impacting our local community.

'I attended the PAE Youth Parliament Celebration and enjoyed it immensely,' says Kasia, 19 years old. 'All the PAE Councillors and other staff were really welcoming and kind. They made me feel that my voice and opinion mattered to them, which is something I love to see. I could potentially see myself running for Council in the future — but especially volunteering.'

We also sponsored five young people aged between 12 and 15 to participate in Junior Parliament, where they developed public speaking and leadership skills in a fun and supportive environment.

If you'd like to learn more, or if you are interested in applying in 2024 you can find all the details here sa.ymca.org.au/what-we-do/youth-empowerment

NEW HARD WASTE SERVICES

Your choice, your convenience

We have changed our hard waste collection service to make it more flexible for residents. All residential properties can now access up to three hard waste services per calendar year, and there are two kinds of service to choose from — either a pre-booked pick-up from your kerbside or a voucher to drop your own items off at the Beverley Recycling and Waste Centre.

The new drop-off vouchers are already helping to reduce wait times for people who want to dispose of large items of rubbish.

All residential properties can access a maximum of three services per calendar year, either:

- 3 kerbside pick-ups and no drop-off vouchers
- 2 kerbside pick-ups and 1 drop-off voucher
- 1 kerbside pick-up and 2 drop-off vouchers

To book either a kerbside pick-up or a drop-off voucher, please visit

cityofpae.cleanaway.com.au or call our WasteLine on **1800 777 844** between 7am and 6pm from Monday to Friday.

Help avoid waste contamination

At our Materials Recovery Facility (MRF) staff work hard to sort the recyclables you place in your yellow-lidded bin to provide an affordable, stable and sustainable recycling service. Did you know that if you put the wrong materials in your recycling bin though, it can damage the equipment at the MRF and contaminate the recycling process?

What NOT to put in your yellow bin:

- **Polystyrene:** Polystyrene can't be recycled through our kerbside system. Break it down instead and put it in your blue bin — or better yet, choose products that use compostable or recyclable packaging
- **Textiles:** Clothes, sheets, towels and bedding get tangled in the MRF sorting equipment, causing jams and breakdowns. They may also be contaminated with dirt, dust or even bed bugs. If your textiles are in good condition, donate them to an op shop. If they're past their prime, tear them into rags and use them for cleaning
- **Bedding:** Pillows and duvets contain materials that can't be recycled through our kerbside bins

Not sure which bin to put your waste into?

Out & About

Semaphore Greek Festival ►

The 43rd Semaphore Greek Festival took place at Semaphore Foreshore on 13 and 14 January, with dancing, soulful music and mouth-watering food. A free, volunteer-run community event proudly sponsored by the City of PAE, the event gave people the chance to immerse themselves in the richness of Greek culture. Mark your calendars for next year — we hope to see you there!

New Found Sound ►►

There were rhythmic vibes at our New Found Sound Festival, an event that brought the beats to Port Adelaide on Saturday 17 February. This free music discovery trail led us through nine vibrant venues across the Port, with a diverse line-up showcasing some of SA's best emerging talent.

▲ New Year's Eve

The spectacular New Year's Eve celebration on Semaphore Foreshore was a night to remember. With live music and entertainment, the breathtaking fireworks and light show filled the night sky as we welcomed in 2024. Check out even more wonderful images captured by our photographer on our website.

Walk of Awareness ►

A heartfelt thank you to everyone who joined us on Tuesday 13 February for this year's Walk of Awareness in Port Adelaide. Together, we commemorated the National Apology to the Stolen Generations, strolling through our community with unity and hope for a brighter future. The northern side of the Birkenhead Bridge marked our meeting point, leading to a warm Kaurna Welcome to Country and a delightful morning tea on the southern side. Your presence made this event truly special!
