BE SAFE AND SECURE THIS CHRISTMAS

Christmas is the season of shopping, receiving deliveries, and storing gifts. It's also the season for opportunistic thieves to steal them. South Australia Police encourage you to follow these crime prevention tips to help keep your gifts secure this Christmas

At home:

- Avoid placing gifts under a Christmas tree that is visible from the street.
- Record serial numbers, descriptions and take photos of your most valuable gifts.
- Keep sales receipts away from the gift – file them in a secure place.
- If you have to store gifts in sheds or a garage, make sure they are kept locked.
- Use a lockable letterbox to avoid mail theft and if you're expecting a delivery, ensure someone will be home or arrange to collect it from the Post Office or courier depot.
- Break down the packaging of large or expensive gifts and place them inside the rubbish bin - only put the bins out on collection day.
