

CITY OF  
Port Adelaide Enfield

# P.A.E today

Local Listening | Citizen of the Year Awards | Love Our Libraries | PAE Places Grants

## Mayor Claire Boan

*The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kaurna people living today*

**W**elcome to the Autumn issue of PAE Today.

In this edition you will find the latest news and stories from our community and information about our services, programs and projects. You can also access PAE Today online at [paetoday.com.au](http://paetoday.com.au)

The biggest news for all property owners is that this month, as part of the State Government's new Planning and Design Code, every property across South Australia will be rezoned to a new code. We have made many submissions to the government over the past few years to ensure that any new planning rules continue to reflect local issues and conditions to provide the best possible outcomes for our community.

We also continue to focus on our economic recovery, and this year we are working with and supporting our local businesses to recover, reopen and reinvigorate themselves.

So, I urge you to also support our local PAE businesses, by thinking and buying PAE first. From your weekly shopping, to eating out, buying special treats, visiting our many attractions, or whenever you are out and about,

you can play your part in the recovery for our local business community, which benefits everyone.

We also want to help and support you in our community, and to hear from you about any ideas, activities or projects you have to participate in the future of your neighbourhood and enable us to best direct our recovery efforts for you.

You can talk to our PAE staff or your Councillors in your local Ward (listed on page 5). We want to continue to gain better insights into what you need to recover from COVID and be part of an active, reinvigorated, vibrant, resilient and liveable City with even stronger community and business connections. With some warm weather still ahead of us, it's a good time to gather with your neighbours. We celebrate Neighbour Day on the last Sunday in March, so it's an ideal opportunity for you to make meaningful connections that will last beyond that day.

I encourage you to check in on your neighbours, as we all make up the wonderful community that is PAE, and we can all continue

to make it such a great place to live, work and play.

We are part way through the 2021 Fringe, and we have around 60 events and activities across PAE that I urge you to look out for.

Our flagship Fringe event, Fringe @5085 is on at Stockade Park over the March long weekend. This two-day extravaganza of magical mayhem and music features lots of family fun including fairies, giants and other mystical creatures and the colourful Wow on Wheels Fringe caravan... and I hope to see you there.

We are also rethinking how we do events in these times, and we recently held a free drive-in movie night with over 500 cars turning up for a fun evening. If you have any ideas about what new and unique entertainment, activities and happenings you want to see and experience in PAE, please let us know.

I hope to see you soon out and about in the amazing community that is PAE.

### Autumn PAE Projects *at a glance*

#### Building Projects

Alberton Oval  
Blair Athol Reserve  
Dry Creek Reserve  
Greenacres Library  
Harry Wierda Reserve  
Kilburn Community Tennis Club  
Laurie Knight Reserve Tennis  
Metro Stars Soccer Club  
Old Post Office Building  
Semaphore RSL

#### Drainage Projects

Birkenhead Naval Reserve Birkenhead  
Hughes Street, Birkenhead  
Newhaven Pump Station  
Port Adelaide Pump Station

#### Irrigation Projects

Hanson Reserve  
Montpelier Square Reserve  
Tim Hunt Way  
Wandana Reserve

#### Footpaths

Boomerang Road, Croydon Park  
Ross Avenue, Croydon Park  
Central Avenue, Enfield  
Brooklyn Terrace, Kilburn  
Grand Junction Road, Kilburn

*Ward in focus*

# Northfield

The Northfield Ward includes the suburbs of Hampstead Gardens, Greenacres, Hillcrest, Lighstview, Northfield, Northgate, Oakden and parts of Walkley Heights and Valley View. It is bordered by Hampstead Road, North East Road, Sudholz Road and other non-arterial roads and contains the eastern most point of our city in Valley View. Two of our city's newer suburbs are located in the Northfield Ward. Northgate was established in the early 2000s. Lighstview was formed by sections of Northfield and Northgate and a small portion of Greenacres in March 2016.

Total population  
**24,778**

Total households  
**10,042**

Overseas born  
**41.1%**

**Roy Amer Reserve** at Oakden is named after a Councillor, Alderman and Mayor who served the City of Enfield, and then Port Adelaide Enfield for more than thirty years. This reserve provides a lush, green environment for walks and relaxation, and is

a family favourite for picnics. The wetlands at the site help us to manage flooding and improve water quality. In 2018 the exeloo toilet on the site was adorned with an artwork by Kilburn Artist Jake Holmes.

## Notes from PAE Council Meetings

### November

- Report on grant application for upgrades to Cricket Pitches at Greenacres and Thomas Turner Reserves
- Discussion regarding camping on the Semaphore South Foreshore
- Adopted Asset Management Plans for roads, footpaths, pump stations and parks and gardens
- Adopted 2019-2020 Annual Report
- Elected Paul Russell as Deputy Mayor for 12 months

### December

- Heard deputation about anti-social behaviour at Peter McKay Reserve
- Discussion about installation of koala drinking stations around PAE
- Updated about urban planning submission

### December (cont.)

- Decision to improve Greenacres Library
- Dry Zone exemption, Graffiti Management and licencing policy reviews
- Decision to amend lease for Portside Christian School to build sports courts and nature playground

### January

- Received a petition regarding improvements at Little Park, Margaret Street, Sefton Park
- Noted Citizen of the Year Award winners (see page 8)
- Discussed feasibility of the provision of extra verge cuts
- Extended e-scooter trial for a further twelve months to increase geo-fencing
- Approved grant to Enfield Tennis Club

**Cr Mark Basham**

For over 20 years we have loved living in Northfield Ward, our family having grown up here. We love the people, we love the facilities such as the local dog park, library, modern playgrounds and beautiful parks and we enjoy spending time with friends at the Northgate Community & Sports Club.

We have a real sense of community and enjoy catching up with friends old and new in the many great local cafes and helping out in the Greenacres Community Garden. Hope to see you around soon too.

**Cr Hannah Evans**

Northfield Ward is a quickly becoming the most populated in the City of PAE. We are seeing a significant influx of new housing developments and it is a privilege getting to know new residents and local businesses every day.

I have been advocating for a Greyhound off-leash day here in the City of PAE for some time and am excited that this will soon become a reality. Due to COVID-19 restrictions, the first session had to be cancelled but stay tuned to hear more about this event and please get in touch if you would like to know more.

From our dog parks to our libraries, the Lights Community and Sports Centre to North East Community House...there is something for everyone in Northfield Ward and I'm proud to be part of this amazing community.

**Cr Matt Osborn**

Northfield Ward is a vibrant, safe, and welcoming community. When Angela and I were looking to buy our first home together in 2009, we were drawn to this particular area because of its village-like character but it also being close to cafés, shops, and public transport.

As we've connected with our neighbours and welcomed a son to our family, we're so thankful to have an abundance of public spaces to enjoy together; from parks and walking trails to recreation facilities and the Greenacres Library. With Council investing in infrastructure for local sports clubs and delivering an ambitious tree planting program, my hope is that singles, couples and families will be even more proud to call this community their home.

# Local Listening

*Talking with you about PAE*

**A**fter the year that was 2020, we know many are ready to look to the future. We are keen to support community-led recovery from COVID-19 and to continue to build a strong, connected, and sustainable PAE.

To do this, we'd love to hear from you about how you're going: what has been both positive and challenging over the last twelve months, and what you'd like to do in 2021.

We're getting ready to hear from you, and

we'll be starting our Local Listening very soon. You'll have options to let us know your thoughts and needs via our webpage, social media, email, post and in person.

You can email us via:

✉ [consultation@cityofpae.sa.gov.au](mailto:consultation@cityofpae.sa.gov.au)

Keep an eye out on our **Have Your Say** page in the coming weeks for more information: [www.haveyoursay.cityofpae.sa.gov.au](https://www.haveyoursay.cityofpae.sa.gov.au)

## Recovery Framework Updates

### COLOUR OUR CITY

We're working our way through the suggestions we received for the 'Colour our City' project where residents and visitors have let us know about local sites that need a bit of colour. We were pleased to receive more than 60 Colour our City location recommendations. The first two projects completed were the Enfield Tennis Club Rooms at Branson Reserve, Clearview and the Beefacres Community Hall in Windsor Gardens. The next site that has been selected is the Cow Shed at Harry Wierda Reserve in Oakden.

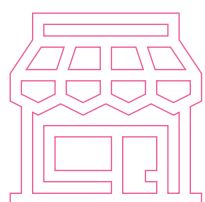

### SPACES FOR MEETING IN YOUR LOCAL LIBRARY

To support our COVID recovery the library community and meeting rooms are currently available for free for students, educators, small businesses, entrepreneurs and job seekers at Parks, Enfield, Greenacres and Port Libraries.

More than fifty hours of access have been provided since December to support a medical centre to run workshops for

community members to manage their diabetes, run a new yoga class for kids and teens and offer extra literacy support for pre-schoolers.

Library Spaces can be booked for up to three hours per day. Bookings can be made with a Library card, either in person or over the phone and COVID safe practices will still need to be observed.

### Got a business in PAE?

# LOVE OUR LIBRARIES

## Libraries

**T**he staff at our five local libraries are committed to supporting local communities to learn and grow, providing accessible places to read, relax, create, and access technology. With great customer experience at the front of mind, we offer services in a flexible and innovative way to suit your needs and interests. Despite the temporary closures of 2020, we welcomed more than 420,000 visitors to our libraries during 2019-2020, which equates to three visits for every single resident of PAE over that time. 2021 will be a big year for our libraries as we expand our programs and build upon our achievements of supporting the community during 2020.

Libraries offer free access to books and other materials, both physical and digital, professional staff who can help you find trusted information and spaces to meet and connect with friends. They also offer a range of programs to support learning new skills for work and to stay connected in this technological world. PAE Libraries provide literacy, learning and knowledge opportunities for the community, to help our residents improve their wellbeing, employability and be well informed of local and global issues.

### *Port Library Temporary Closure and Pop-Up Plus Open*

While the Port Library is closed for a facility upgrade (see page 7), we have a pop-up library to help you stay connected. The Pop-Up Plus at Port Adelaide Plaza is happening just across from Coles. Join us for fun and interactive sessions which include local history, science, technology, craft and art activities. For regular customers wanting to have access to the full range of 'business as usual' library services, we recommend that you visit Semaphore Library during the closure period and we'll see you back at the Port Library by late March.

#### **You will also be able to:**

- Place and pick up your holds
- Browse a collection of new items
- Use the iPads available
- Access newspapers
- Chat to our friendly and knowledgeable staff
- Attend Baby Bounce and Storytime
- Drop in or book in to our program of activities.

## ACTIVE STORYTIME

### Coming to Parks Library

We've heard you love our new Active Storytime so we're bringing it to the Parks library.

Active Storytime is designed for kids who like to be on the go. Sessions are filled with movement and music to keep children busy and engaged while learning to love listening to stories.

Join the new program at Parks Library at 1.30pm Tuesdays during school term, or pop along to our flagship program at the Lights, 10.30am on Fridays during school term.

No need to book, just come along and have a wiggle and enjoy some stories with us!

## NEW YOUTUBE CHANNEL

### Join us online

We are really excited to announce that our libraries now have a YouTube channel! The channel is a place where you can see a wide variety of familiar library faces and stay connected to your local branch. The channel will include the following:

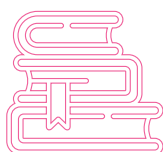

- Stories and activities presented by the Children's Team
- STEM Team experiments and science fun
- Local History ideas and information
- Community programs including talks about everything from gardening to discussions with high profile thought leaders

We will be updating the content regularly and if there is anything you'd like to see - we want to hear from you. Search for PAE Libraries on YouTube and get watching!

## NOW'S THE TIME

### Get SwitchedON

SwitchedON is a program for those with little experience or confidence in the digital world. It is delivered in small groups, at all five of our libraries. The sessions are designed to help you develop your digital literacy skills. This initiative has been made possible as part of our COVID-19 Recovery Framework. Sessions are held Mondays at Semaphore and Port, Wednesdays at Parks and Fridays at Enfield and Greenacres.

**560,000 library items were borrowed from PAE Libraries in 2019-20**

## BACK TO SCHOOL

### Are you study ready?

Study Ready is a new program that aims to support secondary students to achieve their academic goals, and have a bit of fun along the way. We'll help you to feel exam-ready in a constructive and supportive environment. The program is offered to Year 7-10 maths students and Stage 1 and 2 chemistry and biology students. There are many benefits such as learning to study and memory techniques, visual learning tools, and exam scoring tips and tricks. Sessions are run by Dr Priya Jaganathan, who has a Doctorate in Biotechnology and more than 10 years of extensive experience in teaching and research. You will find a great mentor, a supportive group and even new friends. Drop in any Wednesday afternoon from 4-5pm at Greenacres Library.

## TIME FOR AN UPGRADE

### Public toilet improvements

As part of our ongoing commitment to providing high quality public amenities across PAE, we are making some improvements to the public toilets at Port Adelaide Library.

The works are currently occurring and we are aiming to be completed by 21 March 2021. During this period the main library will not be accessible, however you can visit our Pop-Up Plus Library at Port Adelaide Plaza. (see page 6)

The improvements will mean that the public toilets are:

- Lighter and brighter
- Easier to clean and sanitise
- Better ventilated
- COVID Safe and fitted with sensor taps and soap dispensers
- More water and energy efficient
- More accessible
- Equipped with a dedicated parent room

Mayor Claire Boan with PAE Citizen of the Year Rose Darling

## KINDNESS GOES VIRAL

### *Make every day Neighbour Day*

Neighbour Day is Australia's annual celebration of community, bringing together people next door, across the street and throughout the city. Although Neighbour Day falls on the last Sunday in March each year, it encourages us to make connections that last all year round. Neighbours matter (whether near, far or online) and now more than ever is the time to get and stay connected, while of course taking into account current public health advice. You can discover our 'Stories from our Neighbourhood Films' on our website for inspiration on how local people are creating connections. Or you can organise a get together with your neighbours to mark Neighbour Day (we'll provide a voucher to help cover the costs). Or, come along to one of our Great Community Plant Swap events at the Heart of Semaphore Café on Tuesday 23 March or Wednesday 24 March Greenacres Library. You can also win a prize for your neighbour by telling us in 300 words or less what you appreciate about them. Simply share your story about a great neighbour, a unique neighbourly act, or something you appreciate about the people in your neighbourhood.

For all Neighbour Day info and details:

Neighbour Day

## CITIZEN OF THE YEAR AWARDS

### *Acknowledging local leaders*

In recognition of the outstanding groups and individuals who make a difference in PAE, we held a special ceremony in their honour. Citizen of the Year is Rose Darling, who has been giving her time to the Port Adelaide community for many years. Her involvement with charitable organisations and supporting other food relief agencies led her to set up her own charity Community Help and Togetherness (CHATS) in 2019. CHATS engages a group of dedicated volunteers who ensure people living rough can eat well, feel connected, and access the things they need without fear of judgement. Rose has built relationships with local businesses to collect bread, fresh produce and non-perishable items. Young Citizen of the Year is Tegan Marshall, an

active member of the Lightsview community. She volunteers her time to bring her community together, and this has been greatly appreciated by many residents. Her efforts to create safe and inclusive ways for the community to connect during the impacts of the COVID-19 pandemic and included designing a COVID safe Easter egg hunt for local children and a Halloween activity map to guide children and their parents through the neighborhood houses. She has also instigated community fundraisers and other activities throughout the year. Other winners included the Kindness Kombi who are the Emerging Community Group of Year, the Alberton Art Trail for the Community Event of the Year and Service to the Community Awards went to Susanne Blaschka, Barbara Boden, Trevor Charlton, Pamela Jenkins, Amber Trappel and Wonderwalls Port Adelaide.

## REDUCING PLASTICS

### *Single use ban*

Plastics play an important role in our economy and daily lives. But too often, the way plastics are produced, used and discarded results in a wasted resource, causing pollution, litter and harming marine life. Single-use plastic straws, cutlery and stirrers are now prohibited from sale, supply or distribution in South Australia. These single-use items can be easily replaced with reusable and compostable alternatives. Polystyrene cups, bowls plates and clamshell containers are also prohibited from manufacture and production in the state. The EPA enforces this legislation and for more information contact Replace the Waste:

📞 1800 844 946 or

💻 <https://replacethewaste.sa.gov.au>

There will be no kerbside bin collections or hard waste collections on **Good Friday 2 April 2021**, these collections will occur on **Saturday 2 April 2021**. On **Easter Monday 5 April 2021**, collections will occur as per normal.

## RESERVE NAMING

### *Ngarrpadla 'Aunty' Josie Agius*

In February we gathered together for the naming of our first dual-named reserve. Ngarrpadla (the Kurna word for aunty) 'Aunty' Josie Agius Reserve has been named in honour of Aboriginal Elder and local Taperoo resident, Aunty Josie Agius, who was a Narungga, Kurna, Ngarrindjeri and Ngadjuri leader born in 1934. We are proud of the Aboriginal heritage of PAE and acknowledge and value the connection and significant contribution made by Aboriginal people through their maintenance and sharing of culture and connection to country.

In 2020, the PAE Aboriginal Advisory Panel suggested that Taperoo Reserve, originally named for its location at Taperoo, be renamed with dual names that better reflect local Aboriginal history and culture. Auntie Josie was a proud and active member of the Port Adelaide community for over 55 years. As one of the State's first Aboriginal health workers, she helped develop cultural protocols for hospitals and community health services in the 1970s.

In the 1980s she was an Aboriginal education worker at Taperoo Primary School, where she helped launch the Port Adelaide based Kurruru Indigenous Youth Art Centre. She returned to school at Tauondi College in 1995 at the age of 61, and studied tourism and the Kurna language to further her life-long commitment to learning. Aunty Josie was recognised for her tireless advocacy for reconciliation. In 2014 she was awarded the Premier's NAIDOC Award as an extraordinary South Australian whose outstanding achievements and activities have made a significant difference to the lives and welfare of the State's Aboriginal people. She was so prominent in the community and the State that at her 2015 funeral service in Port Adelaide, the South Australian Governor Hieu Van Le, the then Premier Jay Weatherill, and the then State Aboriginal Affairs Minister Kyam Maher, were among those present to mourn the passing of the 81-year-old community leader. The renaming of this reserve is a fitting tribute to an important PAE community member.

## { PAE } People

Tracy Blamey | Heart of Semaphore

Tracy runs the Heart of Semaphore Café on Semaphore Road. She describes herself as a passionate person and loves sharing her enthusiasm for life and learning with others.

Each day she challenges herself to try and make at least one person's day better.

*Whoever you are or where you are from, you're welcome here. We love it here, and being able to give back to someone is very special.*

When Tracy moved from England with her four daughters, she felt truly accepted and embraced by the local community in the Semaphore area, and found herself really wanting to give back. She founded and opened the Heart of Semaphore Café, and has created a welcoming place for local people to gather and share.

The café offers an extensive workshop program and runs regular groups and activities. Kids cooking and craft classes are offered during the school holidays, and there's cards, crafts and knitting for the grownups. The café will host our upcoming Great Community Plant Swap on 23 March.

Those who frequent the café are always welcoming to new visitors, taking them under their wing and Tracy has been touched to see the way so many connections are made and bonds formed, here in the heart of Semaphore.

Tracy has always had a keen interest in food and nutrition and the way that food can bring people together. She loves using shared foods as a way of exploring culture and commonalities.

*If you know of any unsung heroes that should be acknowledged as PAE People, please contact*

✉ [communications@cityofpae.sa.gov.au](mailto:communications@cityofpae.sa.gov.au)

## WE ♥ LARGS

### Jetty Road upgrades

The newly upgraded Jetty Road in Largs Bay is now a more welcoming place for locals and visitors alike.

Wider footpaths allow for safer pedestrian access, as well as future outdoor dining for nearby businesses. We've lowered the kerbing, installed new ramps and upgraded pedestrian crossings, to help improve accessibility in the area. Safety has also been improved with better and brighter street lighting. The road has been resurfaced with improved parking right along the street. We've also planted new verges, trees and grass to improve the streetscape.

To complete the project, there are some fantastic new sculptures along the footpath by SA artist Quentin Gore, who worked with the local community to create vessel-shaped granite forms and wooden figures which celebrate the rich cultural diversity of the area. The sculptures feature text developed by our Aboriginal Advisory Panel member Mickey O' Brien. This will deliver long-term community and economic development outcomes for Largs Bay businesses and residents and create spaces to be enjoyed.

## CHANGING PLACES

### New planning and development rules

On Friday 19 March, the SA Government's new state-wide Planning and Design Code will replace our current Development Plan. Every property in the City of PAE will be rezoned to a new "Code" zone and all new development applications will be considered against the new rules using a centralised lodgement and assessment system. The Code will change the fees for development applications and when and how public notification occurs. One of the more visible changes will be that when a development application requires public notification, a sign will be placed on the land where the development is proposed.

The State Government's reform of the planning system began in 2013. Over the course of the reform program, we have made many submissions and representations to try to ensure the best possible outcomes for our community and that the new planning rules remain reflective of local issues and conditions.

We'll be monitoring the development outcomes that the Code delivers and will

seek the Government's support for future amendments to the Code if required.

 [www.plan.sa.gov.au](http://www.plan.sa.gov.au)

## GREEN COMMUNITIES

### Port Environment Centre

We've partnered with the Port Environment Centre to design and deliver a project to help connect local people with each other and our local environment, and want your input to help shape things. The Port Environment Centre (located at 27 North Parade, Port Adelaide) is a community run organisation and local gathering space that supports sustainability. Visit [portenvironmentcentre.org.au](http://portenvironmentcentre.org.au) and complete a short survey to enter the draw to win a local gift hamper valued at \$100, and sign up to the Centre's mailing list.

### Missed bin?

To request return collection of a missed bin, get in touch:

 1800 777 844 (Free call)

 [cityofpae.cleanaway.com.au](http://cityofpae.cleanaway.com.au)

## CREATING OPPORTUNITIES

### *Welcoming new trainees*

Our City of PAE trainee program has grown in 2021 as we welcome 13 new young people who have joined us for the year to undertake this intensive on-the-job education. For the first time, we have welcomed trainees to all areas of the organisation, from outside in the field doing horticulture and construction, to office-based project management, customer service, and administration.

This program provides ongoing training, development and networking opportunities for young people, enhancing their skills before they enter the job market.

It is also a fantastic opportunity for our staff to gain mentoring and coaching experience through their supervision and support of the participants. We are committed to building a city with opportunities for young people as they are our future. We are working with Maxima Group Australia and our PAE Team to provide better opportunities for young people to address youth unemployment, made worse by the pandemic. We look forward to watching their progress and growth during this fantastic opportunity in their careers.

## EGG-CELLENT EASTER IDEAS

### *Reducing waste*

With family get-togethers, gift giving, and all that extra chocolate, you might find you have more rubbish around at home this Easter.

Recycling the foil wrapping from Easter eggs is easy to do and can make a big difference. Loose foil is too small to be captured at the recycling facility so scrunch the foil into the size of a tennis ball. To be more sustainable over the holiday period at Easter, you could also consider

- Reducing, reusing and recycling packaging
- Looking for products with the least amount of packaging to reduce environmental impacts
- Upcycling packaging into arts and crafts, or using homemade elements to decorate gifts
- Making sure all cardboard boxes, glass bottles and hard plastics in your recycling bin at home

Should you find yourself in the unlikely position of having unwanted or excess chocolate, just pop it into your food waste bin! All food waste can go into your green council bin. Order a replacement kitchen caddy or your annual roll of compostable bags:

☎ 8405 6600

📄 [online.cityofpae.sa.gov.au/onlineform/bin-new-caddy](https://online.cityofpae.sa.gov.au/onlineform/bin-new-caddy)

## HAVE YOUR SAY

### *Future housing and shopping centre*

We're looking to rezone some land at Croydon Park, located along Days Road and Regency Road (the southwestern corner). The site is currently a mix of commercial, industrial, and vacant land. Rezoning will allow for the redevelopment of a new housing estate and shopping centre. These developments could replace some of the existing uses over time. This process could take a few years, but a rezoning is the first step to get the ball rolling. You can Have Your Say about changing the zoning in this area by visiting the website below. Comments close on Friday 12 March.

### *PAE Places Grants Now Open*

Grants of up to \$3000 are available for projects that create, enliven and activate our public spaces.

To apply or find out more:

PAE Places

A PAE Community Services van and driver

## OUT AND ABOUT

### Community transport options

We provide community vans and medical transport vehicles to assist eligible residents over the age of 65 to get to the shops, social groups or medical appointments. Our friendly volunteer drivers will not only help you to get about, but will also assist you throughout your journey, have a chat and even a laugh. PAE Transport is a door to door service so you won't even have to walk to a bus stop or wait in line for a taxi. Our medical car will get you to health appointments. Volunteers drivers will pick you up from your home to ensure you get to your appointment with plenty of time to spare. Due to the demand for this service, we are only able to provide one-way transport. This is not an ambulance service so if you need urgent medical assistance dial 000. These low-cost options for transport are supported by the Commonwealth Home Support Program, so there are some eligibility criteria that needs to be discussed to access transport. For more info:

## SUMMER RAIN

### Stormwater management update

We experienced some unusually wet weather towards the end of January, with an incredible amount of rainfall in a short period of time. We are continually upgrading stormwater infrastructure to prevent flooding in our streets. However, the deluge generated more water than the stormwater systems could handle across Adelaide. In recent years we have built new pump stations around the peninsula to discharge stormwater and we have also increased the size of underground pipes across the city. To keep the water flowing away from residential areas, we have around \$470 million worth of stormwater infrastructure in PAE, most of which is hidden underground. This includes over 550 km of stormwater channels and pipes, 90 detention basins, 4,000 pits, over 10,000 inlets, and countless pumps and mechanical systems to keep the water flowing. We will also be undertaking over \$171 million worth of new and upgraded stormwater infrastructure over the next 20 years.

A Tiny Gem in PAE

## HAVE YOU SEEN THEM?

### Little gems bring a lot of joy

As part of our COVID19 recovery projects, we commissioned local artists to bring joy to our community by being creative in hidden spaces around the city. Some artworks are designed to be temporary and others to be long lasting. Over 50 pieces of Tiny Gems art were created during the project and these were left around PAE. We worked with "It's Port Adelaide" to shoot a series of videos that captured the project and the passion that each of the artists put into their creations. Head to our website or social media to watch all of the videos then head out onto the streets and see how many you can find!

### Sharps Bin

Sharp disposal bins have recently been installed at the Civic Centre in Port Adelaide and the Greenacres Library to provide a place for the safe disposal of sharps.

Past

The Smith brothers being greeted upon arrival in Adelaide

In 1918, the Australian Government offered a prize of £10,000 for the first flight from England to Australia. The flight could not exceed 30 days and the plane had to be piloted by Australians.

A team of four Adelaide airmen responded to the challenge and chose a converted Vickers Vimy bomber for their flight. The pilot was Capt Ross Smith and his brother Lt Keith Smith was the navigator while Jim Bennett and Wally Shiers accompanied the flight as engineers.

On 12 November 1919, they departed from Hounslow in England and flew via France,

across the Syrian Desert, and over Java, finally arriving in Darwin on 10 December 1919.

Serious engine trouble delayed their arrival into Melbourne for seven weeks and it was not until 23 March 1920 that they arrived at their hometown of Adelaide where they were welcomed by an estimated crowd of 20,000 people at an aerodrome in Enfield. The actual landing site is thought to be in the area west from this point and a memorial plaque commemorating the inaugural flight is now at the eponymous **Vickers Vimy Reserve, Northfield.**

## MAY DAY

### Bringing workers' stories to life

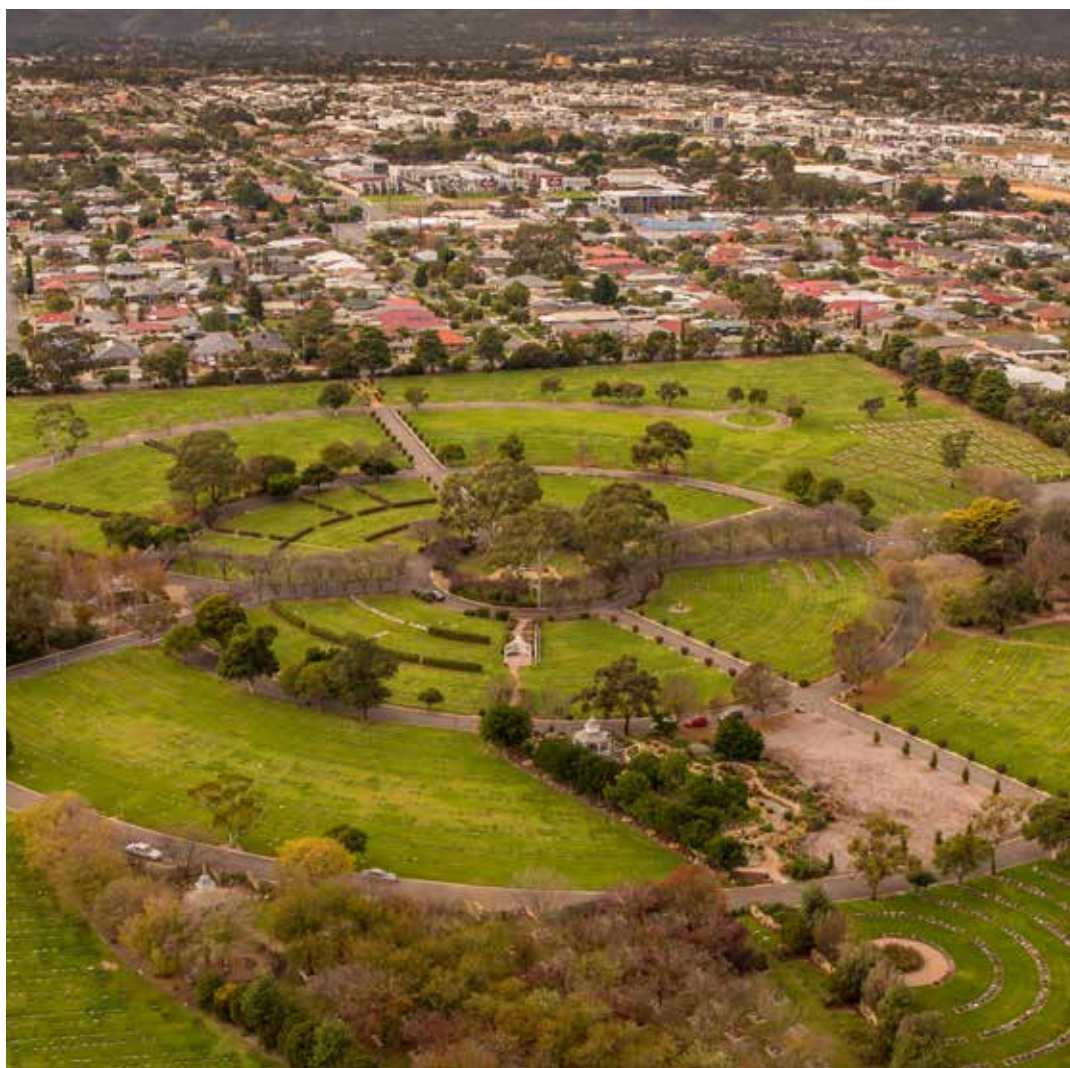

The Port Adelaide Workers' Memorial stands at the corner of St Vincent St and Commercial Rd. The statue features the names of local people who have contributed to the improvement of working conditions for workers from across PAE. The Port of Adelaide Branch of the National Trust is working on a project to help uncover the stories of the people listed on the memorial. A grant, provided by the History Trust of South Australia, will be used to develop a film called *Labour of Love: Stories from the Workers' Memorial*, which will feature the stories of the descendants of activists honoured on the memorial. A march through Port Adelaide on Saturday 1 May 2021 (May Day) is planned to celebrate the 100th anniversary of the completion of this memorial and the unveiling of this project. At the 1921 ceremony local business owner Mr Winter stated: "This memorial is unique, as it honors people who have worked unceasingly in an everyday way, sacrificing much that their fellows might enjoy a little more of the better things of life. The statue should inspire the younger generation to go on and try to make the conditions of life better, as those whose names are inscribed on the monument had done."

## NEW COMMUNITY PRECINCT

### Enfield Memorial Park

A new multi-function community precinct including a florist, nature playground and café, will soon begin construction in Enfield. Announced last year, this \$23 million investment which includes retail spaces, commercial kitchens and function rooms, is expected to provide more than 200 full-time jobs across the supply chain throughout the build, as well as becoming a modern, flexible and welcoming space for those visiting Enfield Memorial Park. Enfield Memorial Park has proudly served the community since 1946 and is one the largest areas of manicured open space in the northern suburbs.

This new building will be located on currently undeveloped land adjacent to Gordon Avenue and looks to incorporate the latest in environmental initiatives and technology. The new community precinct is expected to meet the growing needs of the local area for at least the next 50 years. Construction is expected to begin in the coming months with a completion date of mid-2022.

## PAE FRINGE 2021

The Adelaide Fringe is winding down now, but there are still a few opportunities left to enjoy family shows, cabaret, comedy, dance, theatre and visual arts as part of this epic Adelaide event. There were more than 60 shows on offer around PAE in unique and wonderful venues including the Parks Theatres, Largs Bay RSL, the Pear Café Alberton, Gallery Yampu, Mixed Creative, Clipboard Art Supplies, Folklore Café and Gallery J on Lincoln in Manningham.

You may be reading this just in time to be reminded about Fringe@5085 at Stockade Park. Where in the forest do the giants and fairies sleep? Find out at Fringe@5085 - a free, two-day extravaganza of magical mayhem and music in the tranquillity of Stockade Botanical Park. Starring the Fringe Caravan and plenty more besides. More fun than you can poke a stick at. **Sat 6 March 5 - 10pm and Sun 10 March 11am - 3pm.**

## WHAT'S ON IN PAE

### Holi on the Beach

**Sun 28 Mar**

This popular Festival of Colour is celebrated around the world. Head to Semaphore to enjoy and take part in the colour throwing, program of entertainment and culture and food stalls.

### Easter Carnival

**Fri 2 – Mon 5 Apr**

Come to the carnival on Semaphore Foreshore! Enjoy the old fashioned fun of the rides and amusements.

### Seed Bombs at the Lights

**Fri 16 Apr**

A special sensory and fine motor skill activity for children aged 4 to 12. Using clay, soil and seeds, make a 'seed bomb' to throw in their garden or in a pot. When watered the seeds germinate and grow into seasonal flowers. 10am - 12pm. \$10.

### ANZAC Day

**Sun 25 Apr**

Keep an eye on [www.rslsa.org.au](http://www.rslsa.org.au) for the latest information about services and events planned for ANZAC Day this year.

### Kilburn Community Centre Community Fun Day

**Sat 15 May**

There's so much to do and see at Kilburn. Come along to our Community Fun Day for the travelling farm, jumpy castles, mini golf and more. 2 - 4pm

#### Civic Centre

## Adelaide Food Fringe

**Fri 7 Sun -16 May**

Enjoy a food and drink festival that supports and celebrates SA's spectacular food and beverage industry. Includes the world's first International Pub Week.

[adelaidefoodfringe.com.au/](http://adelaidefoodfringe.com.au/)

## SCHOOL HOLIDAYS

Looking for something to keep the kids entertained these school holidays?

### PAE Libraries School Holiday Programs

**Mon 12 – Fri 23 Apr**

We've got a program to encourage sustainability, community and creativity in children. The sessions will be in the library, off site or after hours. There are games, laser tag, puppet shows and crafts. There will also be STEM and Digi sessions.

### The Lights School Holiday Programs

**Mon 12 - Fri 23 Apr**

There are plenty of activities to choose from at the Lights these holidays. Crafts, bubbles, sports and games- we've got you covered.

### Kilburn Community Centre School Holiday Programs

**Wed 14 & 21 Apr**

Pop down to Kilburn from 11.30am for roller skating, face painting, mini golf, giant games and bouncy castle.

**Out and About in PAE** We might not have been able to host our Twilight Christmas Parade in 2020, but that didn't stop Santa getting out and about in PAE. Mayor Clair Boan escorted him on a tour of the city with stops at libraries, centres and community facilities to spread joy to kids and kids-at-heart alike.

### Events are back on the menu

Our Events Grant Program has been reinvented and the eligibility criteria has been expanded. This means that any organisation with an ABN can now apply for up to \$15,000 to bring an event into the City of PAE. Events need to comply with current restrictions and enhance economic, social and cultural life in PAE.

[www.cityofpae.sa.gov.au/community/grants/](http://www.cityofpae.sa.gov.au/community/grants/)

### At the Drive-in

In January we gave 400 families a spooky night at the cinema with a community screening of the *Witches* at the Gepps Cross Drive-In, the last in metropolitan Adelaide

### Lefevre Playgroup

**Mon & Thurs**

There's art and craft activities, song and story times, soft play, ride on cars and bikes and plenty of other equipment. New families are always welcome. A great social outing not only for the children but for parents as well. Cost is \$3 per session, ages up to 5. No need to register, you can just turn up on the day. 9.30-11.30am

### Parks Library

46 Trafford St, Angle Park  
t: 8405 6550

### Kilburn Community Centre

59 Gladstone Ave, Kilburn  
t: 8405 6730

### Enfield Community Centre

540 Regency Rd, Enfield  
t: 8405 6556

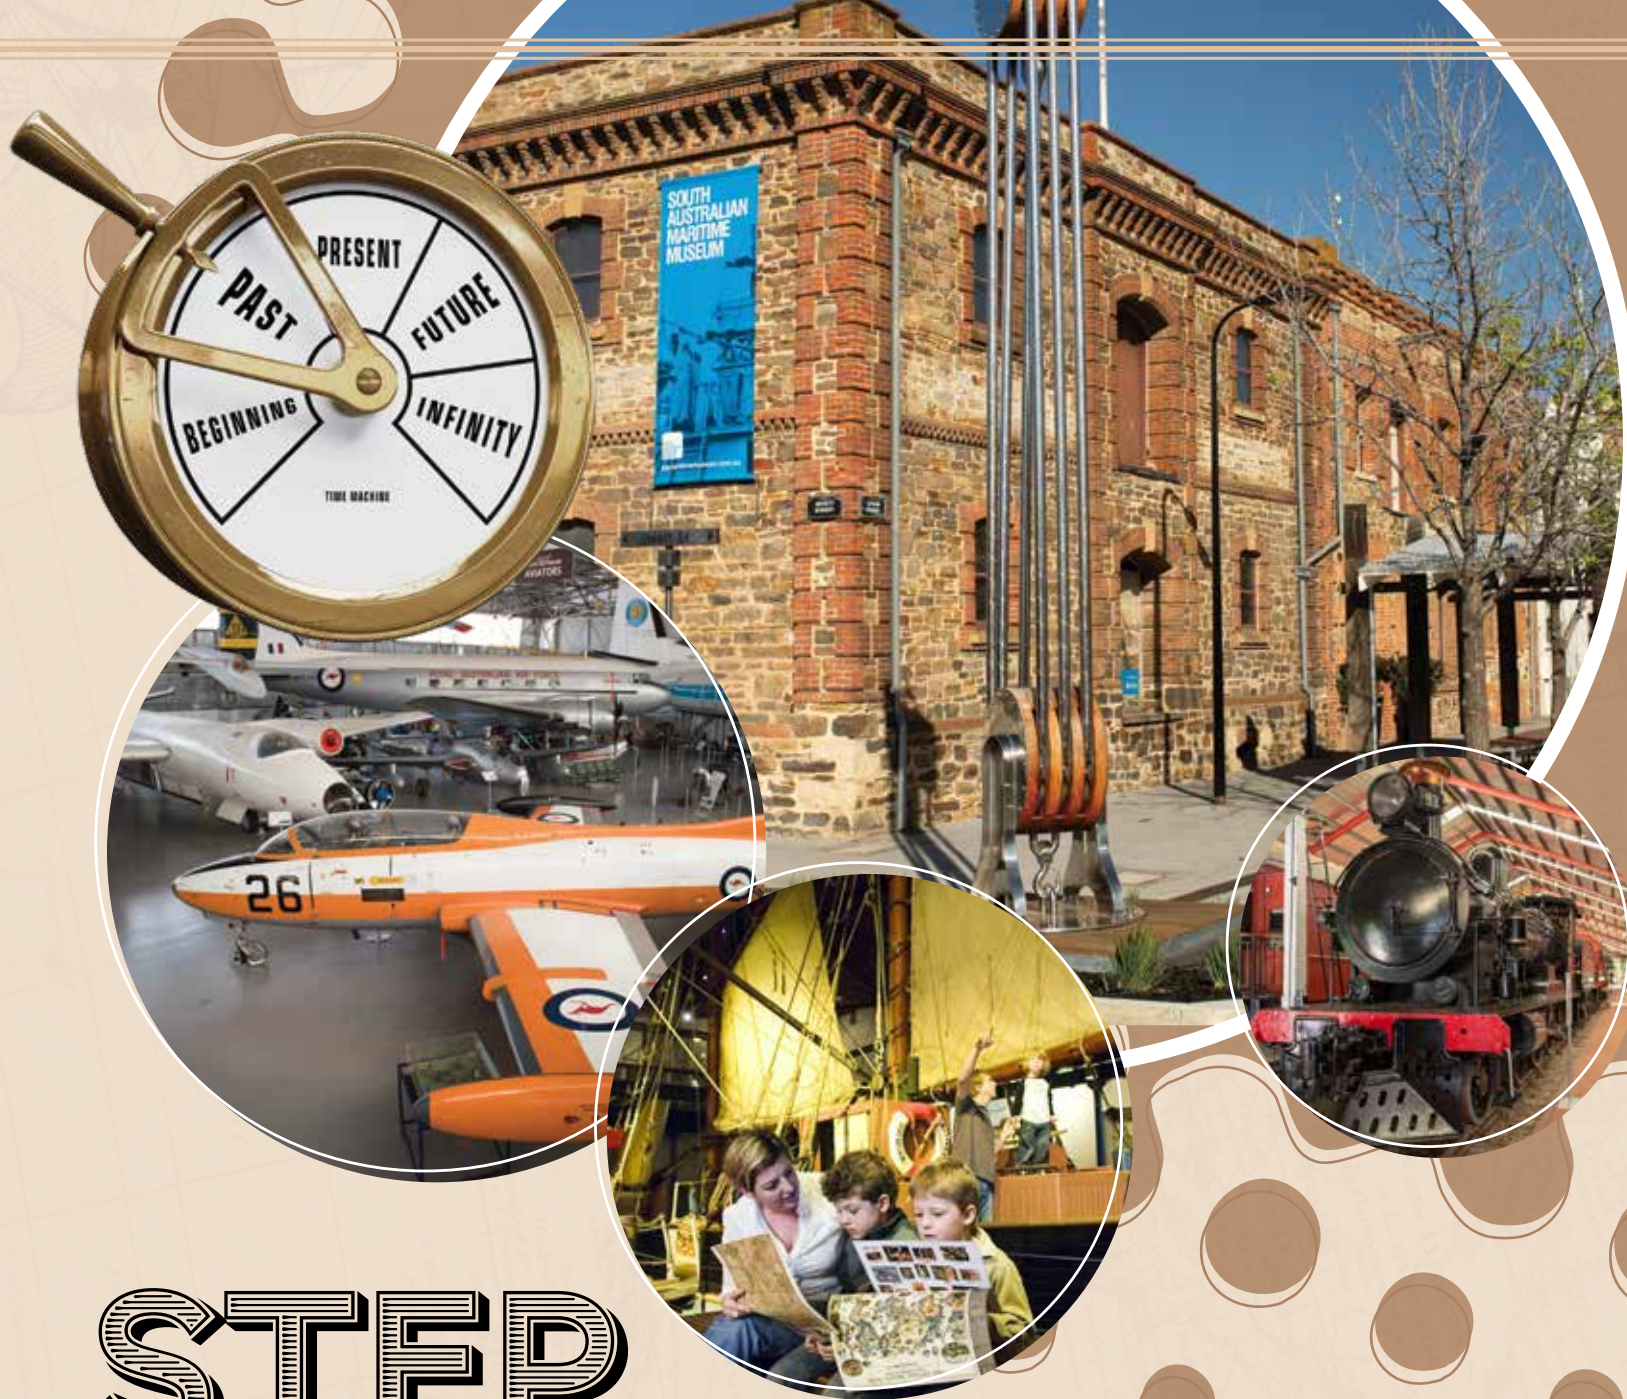

### Lefevre Community Stadium

541 Victoria Rd, Osborne  
t: 8405 6908

### The Lights Community & Sports Centre

Corner East Parkway and Hampstead Rd, Lightsview  
t: 8405 6670

# STEP BACK IN TIME

*South Australia's History Festival 1-31 May*

**Check out the exciting PAE activities happening during May!**

Heritage plaque walking tour ● Lost Port Adelaide walking tour  
Children's heritage trail ● Discover your family history ● Author talks  
Port Adelaide Workers' Memorial walk ● Historic displays
