

CITY OF
Port Adelaide Enfield

P.A.E today

Year in Review | Your New Elected Members | My Aged Care Services | Holiday Guide

“The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kaurna people living today.”

Mayor Claire Boan

I am delighted to be back, welcoming you to this edition of PAE Today, as I start my second term as Mayor of our City. I was re-elected unopposed and am excited to have the chance to work with you for another four years. This year, a total of 40 people from across PAE nominated for a position on Council, with the elections running throughout October and November. I commend each of the nominees for putting their hand up and nominating for this important role.

In this edition of PAE Today you can find out more about the 17 Elected Members who have been appointed to form Council. Your new Council is made up of people who have served before as well as people who are new to the role. Elected Members volunteer their time to help make our community better, and we look forward to seeing the contribution each will make to our City. We will provide more information about each of the Elected Members

in upcoming editions of PAE Today, so that you can get to know more about your local representatives.

Meanwhile, on behalf of our whole community, we thank the outgoing Elected Members for their work over the last Council term and for their individual years of service. Cr Tony Barca retired from his position, having completed 22 years as Member for Klemzig Ward. Cr Helen Wright was member for Semaphore Ward for 16 years and Cr John Croci was recently recognised for his 26 years of service to local government and the Parks community. Things are heating up around PAE in more ways than one this summer. We held our inaugural Dockside Festival from 9–11 December, and the Semaphore Summer Carnival kicks off at the Foreshore on Friday 16 December.

Seeing how many people enjoy the beach during the warmer weather reinforces to us how important the open space along our

coastline is to our community. In early 2023, we will be asking for your comments on both our Semaphore Foreshore master plan and our Pups in Public Places consultation. We value your feedback and look forward to hearing your thoughts.

On that topic, we regularly ask for your thoughts and opinions on the many varied projects we work on during the year. Our online engagement platform, Have Your Say PAE, is evolving to create even more ways for you to connect with us and get involved in local projects. It's as easy as registering and signing up for updates about the projects and topics that interest you. If you haven't signed up yet or if you think your details are out of date, head over to haveyoursay.cityofpae.sa.gov.au to get started.

Ending the Year on a High *Notes from our Annual Report*

We have now published our 2021–22 Annual Report, highlighting our major projects, activities and achievements for the year. What a year it was! In the last 12 months, we have seen progress on many of the long-term projects that we are planning to deliver over the coming years. Our vision for an Aboriginal Cultural Centre came closer to fruition this year, with Council adopting and endorsing a business case and, after consulting

with local Elders, naming the Centre Yitpi Yartapuultiku (meaning 'Soul of Port Adelaide'). We also delivered on our significant capital works program, with upgrades to local playgrounds and sports facilities and improved roads and stormwater management infrastructure. Read all about this (and more) in the Annual Report, available online at

cityofpae.sa.gov.au/council/our-council/annual-report

Notes from PAE Council Meetings

September

- Received our Heritage Advisor's Annual Report
- Received an update on investigations into the use of Augmentative and Assistive Communication Boards (AAC) in Council facilities
- Received an update report about Local Area Traffic Management in Dudley, Croydon and Devon Parks
- Received a report related to responses to homelessness in PAE
- Heard about progress on the Urban Greening and Biodiversity Plan, and the Get Shady Tree Giveaway

October

- Received a report about the historical and current usage of Somerset Reserve in Clearview
- Considered a report discussing the design requirements for new/upgraded sports facilities
- Confirmed provision of our Public Health and Wellbeing Plan to the Chief Public Health Officer of SA Health

November

- Received a progress report about activity by Kilburn Football and Cricket Club
- Heard an update on the PAE Places Grants program
- Received a report about the existing and proposed future usage of Branson Ave Reserve in Clearview
- Recognised Cr John Croci for 26 years of service to local government
- Adopted the 2021–22 Annual Report

Meet your Elected Members

Across South Australia, local government elections were held by postal vote during October and November 2022. The results of the election have now been verified and we can introduce you to our Council for the next four-year term. Having run unopposed for the position of Mayor, Claire Boan has been automatically re-elected, and we congratulate her on commencing her second term as Mayor of the City of PAE.

HEALTHY AND HAPPY AT HOME

SUPPORTING OUR OLDER RESIDENTS

At the 2021 Census, there were 28,469 people aged over 60 living in the City of PAE. Older people contribute so much to our community — as employees, volunteers, neighbours, carers and citizens. At PAE, we provide a range of services to older people around our City to ensure that they feel comfortable, safe and well connected. We receive funding through the Federal Government to provide services under the Commonwealth Home Support Programme (CHSP). Our services provide entry-level support, designed for people aged over 65 who currently live independently in their own home and do not require higher levels of care.

SOCIAL SUPPORT GROUPS

Relationships with friends and family not only create a better quality of life and a sense of security, but also help to keep loneliness and isolation at bay. If you are an older adult, social connections are even more important, helping you to maintain a sense of belonging and community. Our social support groups are designed to provide people with an opportunity to connect with others, make lasting friendships and participate in a range of fun activities. Groups meet on various days of the week and

include a tasty two-course lunch prepared by our cook. We can also provide transport to and from the group for those who need it. If you, a friend or a family member want to extend your social networks and have some fun, then contact us so we can help you find a group that you will enjoy!

RESPIRE

Respite can give you and your carers a break from regular caring arrangements and allow you to remain independent. We offer up to four hours of care at a time, depending on your needs.

DOMESTIC ASSISTANCE

Our short-term cleaning services assist you in managing everyday tasks in a safe, secure and healthy home environment. Visits can be weekly, fortnightly or monthly and can be up to two hours if need be. Our cleaners can vacuum and mop, clean the bathroom, toilet and kitchen areas, dust, make your bed and hang out the washing.

HOME MAINTENANCE AND MODIFICATIONS

We offer services to help maintain the safety and condition of your home, including window

cleaning and gutter cleaning. Our gardening service includes weeding, pruning and general garden tidy-ups, and can also include organic waste disposal.

We also offer a minor home maintenance service, which you can access when or if you need assistance with those bothersome small jobs that a tradesperson would not usually undertake. We can change light globes, tap washers and smoke detector batteries, or we can install key safes, magnetic door catches and more. We can also install home modifications in conjunction with your occupational therapist's assessment and diagrams. This may include installing grab rails, ramps, lever taps and handheld showers.

SHOPPING

There are a few options available if you are an older person who needs help with shopping. We can provide you with transport to the local shops in one of our community vans, or we can arrange someone to escort you to and from your chosen shopping centre, assisting you with your bags. Alternatively, we can send someone to shop on your behalf if you find getting out and about difficult. There are weekly, fortnightly or monthly options for these services.

WEEKEND OUTINGS

Our weekend outing program runs monthly, providing you with the chance to visit various locations such as plant nurseries, markets, wildlife parks or even the Barossa Valley! Our volunteer drivers will drive you to and from the outings in our vans, and we will notify you of the location and date in advance so that you can call in and book ahead. If you are interested in registering for the monthly mailing list for our weekend outings, please let us know and we will provide you with more information about the referrals you may require.

MEDICAL TRANSPORT

Our volunteer drivers can provide you with one-way transport to medical appointments. This includes GP and hospital appointments, as well as dental, physiotherapy, podiatry appointments and more. We can also arrange a taxi for you if our medical car is booked out.

COMMUNITY BUS

We operate a bus service to all members of the public, which may be particularly handy for older people who no longer drive but still want to get around. Depending on your location and eligibility, you can either catch a community bus

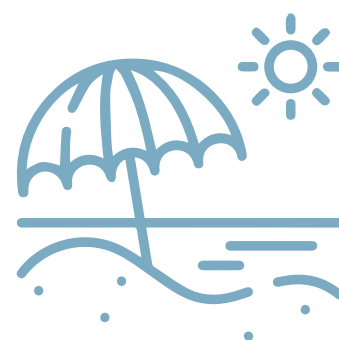

that runs on a fixed route and operates on a Hail and Ride basis (meaning that you can hail the bus anywhere along the circuit) or you can catch a bus that operates a door-to-door service on a Dial and Ride basis (meaning that you need to book a seat). Our buses are driven by volunteers and provide transport to shopping centres, Libraries and other facilities. You can access the timetables either online, at our Council office or Libraries, or from any of our volunteer bus drivers.

ELIGIBILITY

Prior to accessing some of these services, you must register with My Aged Care (MAC) to receive a referral. Once you have registered, the Regional Assessment Service will conduct an assessment. They will consider your requirements and provide you with the appropriate referrals to the provider/s of your choice. Please note that some of the services above incur government-subsidised costs.

To have a chat about some help at home or for more information on any of these services, please contact our friendly Community Services team on

 **8405 6804**

Beach Access Mats

Giving people with wheeled mobility aids (such as wheelchairs, walkers or prams) access to the beach.

Our beach mats consist of a long, sturdy 'mat' placed over the soft sand to enable people with mobility aids to reach the firmer sand at the water's edge. The mats are bright blue and are set up at locations in Semaphore.

To see the locations of our beach mats, please visit our website at:

 cityofpae.sa.gov.au/community/services/beach-access

ACHIEVEMENTS ACKNOWLEDGED

Aboriginal and Torres Strait Islander Awards

Each year we celebrate our Aboriginal and Torres Strait Islander people and their contribution to our community at the Aboriginal and Torres Strait Islander Awards Night. It's an exciting and important annual activity that enables us to recognise and celebrate the service, commitment, effort and achievements of individuals and organisations to our community — along with the community spirit and pride that they foster.

This year, we received 22 award nominations, and the calibre of nominations was high across all categories.

WOLFIE'S EPIC JOURNEY

From Port Adelaide to Balaklava ... and back!

Microchipping is the best way for you to ensure that you will be reunited with your pet if they get lost or go missing. A microchip is also helpful for vets when they are treating your pet.

The owners of Wolfie, a Jack Russell X Staffy, can certainly attest to the importance of microchipping. While on a recent road trip, a PAE resident found Wolfie wandering, and brought him all the way to the Port to a local vet for scanning. Thankfully, Wolfie was microchipped, although he was registered to a family in Bunday, a locality about 50km away from Burra. Staff from PAE contacted the owners, who were relieved and thrilled that someone had found Wolfie in good health — although they weren't too sure about how to get him back home! Staff member Brenton kindly began the process of reuniting Wolfie with his owners by driving him all the way to Balaklava, where Brenton was attending a networking meeting.

If you find a dog wandering while you are out and about, it is best not to take the dog away from the neighbourhood where you found it. The best thing to do is to immediately contact the local council where you've found the dog. If you find a dog wandering in PAE, simply call us on ☎ **8405 6600** so that our Community Safety Officers can arrange collection. They will scan the dog for a microchip and then use the details in the chip to access the owner's details via Dogs and Cats Online.

Presented on Wednesday 7 December, the winners of the Aboriginal and Torres Strait Islander Awards for 2022 are:

- Recognition of an Aboriginal group or organisation for their contribution to the Aboriginal or Torres Strait Islander community: **Tauondi Aboriginal Community College Staff**
- Recognition of a non-Aboriginal person, group or organisation for their contribution to the Aboriginal or Torres Strait Islander community: **Tadashi Nakamura and Abbie Patterson (joint winners)**
- Person of the Year: **Schania Czygan**
- Lifetime Achievement: *No eligible nominations received*
- Contribution to the Arts: **Ingrid O'Loughlin**
- Elder of the Year: **Rosemary Wanganeen**
- Educational Achievement: **Hannah Hughes**
- Sports Person of the Year: **Terrence Wilson**
- Auntie Josie Agius Youth Achievement Award: **Shakaya Butler and Alex Agius-Bersee (joint winners)**

WHEN NATURE INSPIRES US

Writing competition now open

Back for a second year, the Living Landscapes Writing Competition highlights the importance of nature writing and its ability to enable us to see the natural world anew. It's all about writing and sharing your story to celebrate our rich and diverse region — a tapestry of coastlines, dunes, rivers, wetlands, mangroves, parks and reserves. To enter, write an original short story no longer than 3,000 words that relates to the natural environment within the City of PAE area. There are categories for juniors, teens and adults, with some great prizes on offer. The closing date for entries is 30 January 2023. Terms and conditions are available at cityofpae.sa.gov.au/explore/arts-and-culture/living-landscapes-writing-competition

'... when one can see the light dance effortlessly upon the surface of the water, the birds gliding down only to rest on the water's supple cheek, one can forget ghosts and choose instead, to see life'

Esther Lawry, 'No Man is an Island',
2022 Living Landscapes Competition
Middle Grade winner

YOUR LIBRARY HAS IT ALL

Helping you make the most of summer

When you're planning a day out these holidays, why not include your local library as one of your destinations? Libraries cost nothing to visit, and they are bursting with things for everyone to do. The Semaphore Library even has bikes you can borrow! Imagine popping a book in your basket, cruising along the coast and stopping at a local café for a coffee.

If you haven't done so already, sign up for a membership card to step into a whole new world of experiences. Drop into one of our Libraries and familiarise yourself with what they have to offer. Meet our wonderful staff and take something home with you to enjoy.

Relax and stay cool in one of our Libraries across PAE and make the most of all the things on offer, including:

- Books, magazines and DVDs
- Computers, internet, printing and scanning
- Toy collections
- Board games
- Console systems and games
- Curated showcase displays
- Local History and research areas
- Seed collection

If you can't make it in physically, you can browse our Digital Library instead to access free movie and TV streaming, Britannica Library resources, eBooks and audiobooks. You can also read a wide range of Languages Other Than English (LOTE) titles through the Digital Library. Whether it's for learning or leisure, your local library has got what you want!  cityofpae.sa.gov.au/explore/libraries/digital-library

THE WONDER OF SMALL THINGS

New book about a local legend

The late Vince Copley AM was a proud Ngadjuri man who was born on an Aboriginal mission. As a young boy he befriended, among others, the future civil rights activist Charles Perkins at the St Francis House in Semaphore. A star footballer and cricketer, Vince later devoted his life to advancing the rights and improving the lives of First Nations people. In *The Wonder of Little Things*, Vince tells his story with humour, humility and wisdom. Written with his friend Lea McInerney over many cups of tea, this is an Australian classic in the making, a plain-speaking account of hardship, courage and optimism told without self-pity or big-noting. Vince shares his extraordinary story of finding kindness in the midst of prejudice, and joy in living life to the full.

As part of 2022 Nunga Week, 80 family and friends of Vince and the St Francis boys attended an afternoon tea on Monday 7 November at Glanville Hall. They celebrated Vince's life, the publication of his story and the legacy of St Francis House to the local area and nationally. Other guests included Attorney General and Minister for Aboriginal Affairs the Hon. Kyam Maher MLC, Eileen Perkins, Mayor Claire Boan and members of the City of PAE's Aboriginal Advisory Panel. Vince's book *The Wonder of Little Things* will no doubt become an important part of our First Nations story here along the Port and coast. The book is available for loan through the City of PAE Libraries and for sale at your local bookstore.

NEW BOOK CLUB

Books and Banter at The Lights

The PAE Libraries are proud to announce a new opportunity for book lovers — or for those who would just like a good reason to get out of the house for a cuppa. Along with the ever-popular Beer and Book Club, we've now added another monthly event called Books and Banter. Held at Delightful Café (part of the Lights Community and Sports Centre) every second Wednesday of the month, it's a casual opportunity for local people to get together and discuss their latest reads. Grab whatever you're reading and come along. There are no boring books, just fresh recommendations, plenty of discussion and friendly faces. No bookings needed.

To keep up to date with the latest times for both book clubs, please check our Meetup page at

 meetup.com/cityofpae-book-club

SWAP SCROLLING FOR A PAGE-TURNER WITH ...

Library Lockers at The Lights

Did you know that you can get your books delivered to you when you visit the Lights Community and Sports Centre? Catch up on the latest magazines, get study resources or stock up on DVDs for the weekend.

Let your friendly Library staff bring the collection to you. All you need is a library card to put items on hold. It's as easy as one, two, three:

1. Find an item. Choose from a wide range of books, DVDs, games and more, either through the online catalogue or via the LibrariesSA App
2. Place the item on hold, selecting 'The Lights' as your pickup location
3. Collect your item from the lockers at The Lights. You'll get a notification via text or email when your hold is ready for collection, and you'll have 10 days to collect it

For more information about the Library Lockers and other Library services, contact Enfield Library on  8405 6530

Taperoo Labyrinth

With all the rain that we experienced this spring, the plants in our unique coastal native food garden labyrinth at Roy Marten Park in Taperoo have really taken off. Take the opportunity to meander through this marvellous maze this summer and learn about the beauty, diversity and resilience of our local coastal native food plants.

Senior arborist Tim and local resident Kelly receiving her free tree

PLANTING TREES IN PAE

Get Shady tree giveaway is back

We are committed to increasing the tree canopy in our City to help our community adapt to the impacts of climate change. Mature trees provide shade to keep our City cool, while also providing habitat for native wildlife. During the first half of 2022, we gave 150 property owners a free mature tree to plant on their land. These residents were living in the hottest suburbs in PAE, which have some of the lowest tree canopy — Blair Athol, Clearview, Enfield, Kilburn, Wingfield, Gepps Cross and Woodville Gardens. We will launch the next round of the 'Get Shady' project in early 2023, this time as a City-wide giveaway, with double the number of trees to give away. Visit our website to register for your free tree, and see real-time updates about where the trees will be planted

haveyoursay.cityofpae.sa.gov.au/get-shady

REDUCING RUBBISH

Clean Up Australia Day

Clean Up Australia Day is happening again on Sunday 5 March 2023. From humble beginnings in 1990, Clean Up Australia Day is now our country's largest community-based

environmental event. In fact, during the last year more than 900,000 community members were involved in collecting rubbish throughout their neighbourhoods for this event! Participating and contributing to the environment through this event is easy. Event organisers receive a free 'Clean Up' kit that includes bags, gloves and everything you need to create a safe, fun and effective Clean Up. You can also arrange your Clean Up on any other date that suits you. For more information, see cleanupaustraliaday.org.au/register-an-event

WASTE LESS THIS SUMMER

Have you got your kitchen caddy?

With the festive season and the new year fast approaching, don't forget the difference you can make to the environment by using your kitchen caddy to divert food scraps from landfill. We provide free kitchen caddies to all residents of PAE, along with a roll of bags for the caddy that are made from plant material and are fully compostable. Simply line the caddy with a bag, then pop all food waste into the caddy. When the bag is full, tie it up and add it to your kerbside green organics bin. You can place all kinds of food waste in your caddy, including eggshells, bones and ground coffee. To reduce odours, consider

storing items such as prawn shells or chicken bones in your freezer until the morning of collection day. For other tips on how to reduce your waste, head to our website cityofpae.sa.gov.au/live/waste/food-waste-recycling

GOING GREEN IN 2023

Grants to help community and business

As part of our commitment to supporting a low-carbon, water-sensitive and climate-resilient City, we are creating more opportunities for local groups, clubs and small to medium sized businesses to help us deliver on environmental and sustainable improvements to their operations. Through our Green Business Incentive Scheme, small and medium businesses based in PAE can apply for a share of \$75,000 of funds to invest in renewable energy, water/energy savings, zero-emission transport/plant initiatives, greening, waste management and sustainable product developments/selections that encourage circular economy outcomes. We will also be providing \$30,000 of funding to local and not-for-profit groups through our Community Environment grants, which support community environmental action while also providing wellbeing outcomes for PAE community members and residents.

ENJOY YOUR RETIREMENT

Friendly group in Taperoo

Retire Active SA have been meeting on the LeFevre Peninsula for 23 years. Members enjoy indoor bowls, Rummikub, Mahjong, Bolivia, other card games and a chat over lunch. This small, friendly group meets at Lefevre Uniting Church in Taperoo every Thursday from 10.30am to 2.30pm. They would love new members to join. If you are retired or about to retire, and if you are looking to get out of the house and want to meet new people, then why not take the chance to make some new friends? Visitors are always welcome. For more information, visit

retireactivesa.com.au or contact Lorraine on [8248 3363](tel:82483363) or Jan on [0431 784 522](tel:0431784522)

If you need assistance getting to and from the group, our Community Services team may be able to assist, so call us on [8405 6600](tel:84056600)

YITPI YARTAPUULTIKU

Progress on our Aboriginal Culture Centre

Yitpi Yartapuultiku continues to develop through a partnership and co-design model with the City of PAE and Aboriginal and Torres Strait Islander Custodians. The designs for the precinct are progressing, being shaped through cultural leadership and cultural mapping knowledge.

We have now appointed a Place Leader, well in advance of the precinct being built and opened, and we are developing a comprehensive business plan and a place-based approach to shape the shared vision of Yitpi Yartapuultiku as a culturally safe place for Aboriginal and Torres Strait Islander people and the broader community to connect, learn and enjoy.

The vision for Yitpi Yartapuultiku's place-based model is one where PAE and Community can together co-create a new and sustainable way of working and a different way of thinking about leading, engaging, delivering services and making decisions.

We were delighted to share an update about this project with our community during Nunga Week. If you missed this update, scan the above QR code to access the latest project updates.

Recently, we were thrilled to receive recognition for this project at the 2022 Awards for Planning Excellence in the category of 'Planning with Country'. We also received the Ministers Award at the same event.

These awards are a fabulous recognition of the partnership between Custodians, broader Aboriginal and Torres Strait Islander family representatives, PAE and the design teams who have worked so closely to co-design the Centre.

This year at PAE we held Nunga Week from 7–12 November. Nunga Week is our annual acknowledgment of the many and varied contributions that our Aboriginal and Torres Strait Islander people make to our community every day.

We held 16 events at 14 locations across PAE. Highlights included:

- A family movie night with a panel discussion at the Junction Community Centre
- A traditional weaving workshop with Natasha Sutcliffe at Port Adelaide Library
- A creative poetry performance at Taperoo Community Centre
- A walk around the Port River to Lartelare Reserve with Margaret Brodie

Thanks to our partners, the Taperoo Community Centre, the Junction Community Centre, Margaret Brodie, Centacare Catholic Family Services and Kura Yerlo Inc.

HOLIDAY CLOSING HOURS

Council offices, Libraries and community centres across PAE

The Civic Centre will operate normal business hours during the holiday period and will be closed on public holidays (Monday 26 and Tuesday 27 December and Monday 2 January) and weekends. Operating hours for our libraries, stadiums and community centres vary so check our website for details.

You can make a request for a Council service at any time of the day or night by: Submitting an online request via our Online Services page at ecouncil.portenf.sa.gov.au (you can track the progress of all online requests on the same page)

Calling us on ☎ **8405 6600**

Emailing us at ✉ service@cityofpae.sa.gov.au

Community buses

The Community Bus will not be running from Friday 23 December and will resume service from Tuesday 10 January 2023.

Kerbside waste collection

There will be no impact to waste collection services this festive season, as Christmas Day and New Year's Day are both on a Sunday. Please place your bins out on the kerb as usual on collection day.

Visitor Information Centre

The Visitor Information Centre will be open every day of the holidays except for Christmas Day, so if you are looking for something to do over this period, head down to the Port to discover the area. You might also like to take one of our self-guided walking tours, which you can download via the Visit Port Adelaide app.

What to do in an emergency

Emergencies such as floods, major storms, bushfires and earthquakes are an inherent part of the Australian environment. Although we cannot prevent them, we can minimise the risks they pose. For more information about specific hazards that may affect the community, and to find the relevant authority to contact, visit our website and search:

Emergency

Being prepared for an emergency may reduce any negative consequences. However, in the event of an accident where a serious or life-threatening injury has occurred, always call 000.

PAE ENGINE ROOM SERIES

Growing the local economy

ENGINE ROOM SERIES

Business is booming

With over 10,000 businesses, the City of PAE is the engine room of South Australia's economic growth. We are a hub for logistics, defence, manufacturing and new start-up businesses, as well as a popular destination for tourists and visitors.

Recently, we partnered with the Adelaide Business Hub to deliver the Engine Room Series. Launched in October, this is a series of business networking events that bring together our business community to create opportunities for local business to learn and grow.

Whether you are new to the business world or want to grow your existing business, you will find something in the Engine Room Series to support you and your business. Register now to take part in upcoming events around PAE over the next nine months. We will add new events as we confirm them.

Visit cityofpae.sa.gov.au/connect/for-business/engine-room-series

READY TO ROLL

Gepps Cross Reserve

By the end of 2022, we expect to complete our work on extending and improving the existing sports clubroom at Gepps Cross Reserve. Gepps Cross Reserve, located off Terama Street, is home to both the North Adelaide Lacrosse Club and the Enfield United Community Cricket Club. Both clubs are set to move back into their building by early 2023. The upgrade to the existing building includes the refurbishment of the toilets (comprising male, female and accessibility toilets) as well as a new public accessibility toilet, while the building extension will include two new AFL-standard change rooms with amenities (showers and toilets), a medical room, an umpire's room with amenities and two storage rooms. We are also repainting the function space and installing new flooring, and the kitchen is undergoing a complete upgrade, with a new bar, commercial kitchen appliances and a storeroom for food. We will replace the south-facing verandah with an area that provides more undercover room for people to watch all the action on field.

LEADING THE WAY

Supporting Women in PAE

In 2017 the City of PAE was the first council in SA to achieve White Ribbon Workplace accreditation. White Ribbon is part of a global social movement, active in over 60 countries, to eliminate gendered violence. Both men and women experience domestic and family violence, including those in same-sex relationships. Statistically, however, many more women than men are subject to domestic and family violence:

- 1 in 6 women and 1 in 16 men experience physical and/or sexual violence
- 1 in 4 women and 1 in 6 men experience emotional abuse by a current or previous partner
- 1 in 5 women and 1 in 20 men experience sexual assault or threat

White Ribbon in Australia changed ownership in 2020. This year, on White Ribbon Day, Friday 18 November, we furthered our leadership and commitment to making positive change by announcing we are seeking reaccreditation for the White Ribbon Workplace program. We are continuing to provide employees with education, awareness, knowledge and skill development to identify and address violence against women at both a local and systemic level.

A Beacon of Light

We are leading the way with our Women in PAE project, which is tackling issues of gender inequality. Gendered violence affects everyone and we all have a role to play in eliminating violence against women and children. This year we also participated in the Clothesline project, with community members writing messages of support and hope for women and children who have experienced domestic and family abuse. In late November the Port Adelaide Lighthouse lit up in orange in support of 16 Days of Activism Against Gender-Based Violence, an annual international campaign that kicks off on International Day for the Elimination of Violence against Women and runs until Human Rights Day (from 25 November through till 10 December). As the colour designated by the UN Secretary-General's campaign UNiTE to End Violence against Women, orange is a bright, optimistic colour that symbolises a future free from violence against women and girls.

Capital Works Dashboard

You can access information about the capital works projects that are happening in your neighbourhood and across PAE via our interactive dashboard. There are 276 construction projects created for the 2022–23 financial year, with a total value of \$64.2 million. Project types include footpaths, roads and drainage, buildings, reserves and playgrounds. Click on the link to the map at:

WHAT'S ON THESE SUMMER SCHOOL HOLIDAYS 2022/23

Libraries

'Imagine Our Future'

Imagine our future this January at PAE Libraries! Join us as we present a two-week program focusing on all things digital, including robotics, video games and virtual reality. There will be a range of programs for all ages, as well as activities across our Libraries every day of the holidays. We want to encourage all the designers, creators and all-round learners out there to get 'techy'. Keep an eye out for the program on our social media posts or via our website from early 2023.

Kilburn Community Centre

Wed 4 and 18 Jan | 10am – 1.30pm

Head on over to Kilburn Community Centre for games, roller skating, face painting, mini golf and plenty of fun.

Contact the centre on ☎ **8405 6730**

The Lights Community and Sports Centre

There are plenty of options to choose from at The Lights, with sports to try, games to play and lots of fun to be had! Session details available at

📱 thelights.com.au

Lefevre Community Stadium

Stay busy and connected at Lefevre, with roller skating sessions, a Kid's Zumba session and netball and tennis clinics. There are also board games and arts and crafts to enjoy.

For more information, please call the stadium

☎ **8405 6908**

Other venues

Parks Theatre

Aspiring actors can participate in Broadway Bootcamp this summer at the Parks Theatre

📱 parkstheatre.ymca.org.au

Shanx

Our newest mini golf course is fun for the whole family, and great value at \$50 for four players. Or, during summer, try a twilight round for \$14.50 per person

📱 shanxminigolf.com.au

Disc Golf at Glanville

Disc golf is frisbee with a purpose! It's for all ages and all levels of fitness. Players throw specifically designed golf discs from the tee to an elevated basket.

Hit the basket and that counts as in!

IMPROVING CHANCES FOR JOBSEEKERS

Jobs expo is back

We are committed to supporting local jobseekers to gain employment, and to developing partnerships with business to equip local industry to respond to areas with growing demand. The Western Adelaide Jobs Expo is back in 2023, providing a chance for jobseekers to meet local employers, learn about job opportunities and participate in job-readiness workshops. More than 1,100 people attended the event this year, with 85 businesses present. In 2023, the event will take place at the St Clair Recreation Centre in Woodville South on Tuesday 21 March from 10am – 2.30 pm. On the day there will be live demonstrations with onsite industry tools as well as hands-on workshops. You will also be able to seek help to write your resume and reach out to contacts in your industry.

The event is free, but registrations and essential. To register, scan QR code here:
