PEOPLE MADE

PORT ADELAIDE ENFIELD

Mayor CLAIRE BOAN

Welcome to the winter edition of PAE Today. The weather might be grey and stormy, but there are plenty of things to look forward to across our city.

I'm delighted to announce that on Sunday 1 June Yitpi Yartapuultiku, the Aboriginal Cultural Centre in Port Adelaide, officially opened. Those who attended were treated to a day of celebration, cultural ceremonies and exploration. Offering spaces for functions, events, exhibitions and meetings, Yitpi Yartapuultiku is set to become a significant tourism drawcard, attracting visitors to immerse themselves in Aboriginal culture and the stunning natural environment – a place where business, culture, environment and tourism intersect.

Meanwhile, I'm often astonished and moved by the creativity of our community. This year, as part of our Living Environment Program, we've created a travelling exhibition of images people have shared with us of their favourite natural landscapes in PAE. Read more about the exhibition and see some of the images that our talented photographers captured on pp. 4 and 5 – or drop in to see them soon at one of our libraries or spaces.

In June we also opened the Poppin' Tags exhibition, showcasing work by local artists who created pieces of art from discarded material, including obsolete electronics and items from 29 op shops across the city. You can view the ingenious pieces of art featured in this exhibition at various locations in PAE until Sunday 3 August.

This winter we're as committed as ever to meeting our goal of increasing our city's tree canopy cover by 35% by 2050. With the street planting season well underway, we've also expanded our Get Shady program to encourage people to plant trees on private land by offering a rebate. The rebate is open till 30 June – see our website for more information.

There's lots more to read about in this issue, including updates on our Dog and Cat Management Plan, suggestions for what to do on a rainy day and more. In the meantime, thank you as always to each and every one of you for making PAE a wonderful place to live, work, learn and play in.

Correction: In the autumn 2025 edition of PAE Today, there was an error in the details we provided about the newly named Ray Guscott Reserve. This reserve was formerly known as the Largs North Reserve and it's on Victoria Road.

ACKNOWLEDGMENT OF COUNTRY

The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains, and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kaurna people living today.

Getting to know YOUR ELECTED MEMBERS

It's winter and the days are cold – but no matter what the weather's like, there's always something to do or somewhere to go in PAE. We asked our Elected Members what they like to do on a rainy day in PAE – here's what some of them said:

Port Adelaide Ward

Cr Steve Vines: Get that dusty weatherproof jacket out and enjoy a moody loop walk around the inner harbour promenade across the Jervois, Birkenhead and 'Diver' Derrick bridges.

Parks Ward

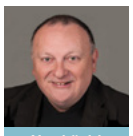

Cr Kim Dinh: I visit Viet Hoa on Hanson Road and have a nice bowl of hot 'pho' or beef noodles. I take my kids to the Parks Community Centre so they can do some fun indoor activities while I sit and wait with a nice coffee from the café there.

Port Adelaide Ward

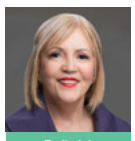

Cr Joost den Hartog: I like to go to a Magpies game at Alberton Oval and stand in the rain with a can of stout!

Enfield Ward

Cr Barbara Clayton: Our family love to meet family and friends at SA Base Camp in Kilburn where children can release energy and parents can catch up and enjoy a treat.

Northfield Ward

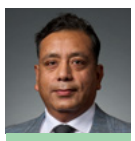

Cr Mark Basham: I love to have a coffee and chat with locals at the Lakeside Cafe or watch the footy from inside the Gepps Cross Footy Club.

Enfield Ward

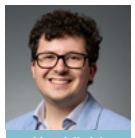

Cr Carol Martin OAM: There is nothing more rewarding than checking into one of the community centres in my ward to see what's on and which group I can check in with. A place that is warm and feels safe.

Semaphore Ward

Cr David Wilkins: It's gotta be either next to the fireplace at Banksia Tree Cafe or catching a movie at the Odeon Star Cinema with warm, buttery popcorn.

Parks Ward

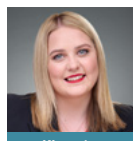

Cr Wasim Saeed: The sound of rain needs no translation; it speaks to the soul.

Northfield Ward

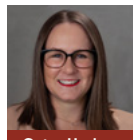

Cr Lazaras Panayiotou: A rainy day equals a lazy day — luckily, between Jibbis, Ikigai, Chatkazz and the ever-increasing eateries around the intersection of Fosters and Folland, we're spoiled!

Outer Harbor Ward

Cr Adrian Wotton: I love to drop into one of the Lefevre Peninsula's awesome cafes, restaurants, hotels or clubs for a hot drink or meal.

Klemzig Ward

Cr Hannah Evans: Rainy days are perfect for hot coffee at Melo Café and snuggling up at home with a good book or series to watch once the baby is asleep!

Outer Harbor Ward

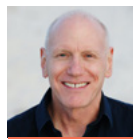

Cr Vanessa Tulloch: On a rainy day, the perfect place to escape to is the Lefevre Community Stadium. Staying active, staying social, with a barista coffee, just perfect!

Northfield Ward

Cr Matt Osborn: There's nothing like visiting Greenacres Library on a rainy day, where my wife and I can take our boys to discover new reading adventures and borrow a toy or two.

Parks Ward

Cr Kat Mitchell: Nothing beats the Parks Library on a cold day. There's always a warm welcome and there is something for everyone.

Semaphore Ward

Cr Peter McGregor: I usually choose one of the following: walk the beach and look at the ocean, grab a coffee on Semaphore Road or the Esplanade, or watch a movie at the iconic Odeon. Semaphore is, without a doubt, the best place to spend a rainy day.

SHARING NATURE STORIES

There are lots of beautiful natural spaces across PAE. Since last year, we've been working to create a travelling Living Landscapes Exhibition to display photos by our community of the places and natural landscapes in PAE that are special to them. We've been thrilled by the contributions we've received so far, which include photos of locations ranging from the Barker Inlet to Semaphore Jetty, and from Roy Amer Reserve to Mutton Cove.

The exhibition will be moving around our libraries and public spaces – it's all about bringing the outdoors indoors, showcasing PAE in all its natural beauty.

Thank you to everyone who's contributed so far including Walkley Heights resident Claire (pictured above with a Living Environment Planner Aleisa). We're keen to continue celebrating our cherished places and growing our collection of community images. We're looking for pictures that celebrate the variety of natural places that make up PAE, including coastal beaches, wetlands, rives and creeks – not to mention any of our beautiful parks and reserves or community gardens. All you need to do is share a photo of your favourite natural landscape and tell us why it's special to you.

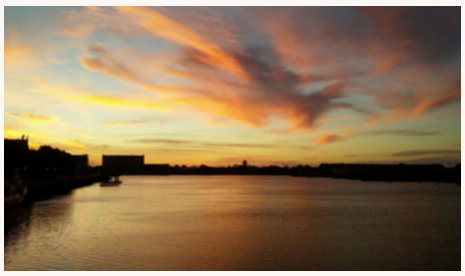

For more information and to submit your photo, head on over to **participate.cityofpae.sa.gov.au/favourite-living-landscapes**

We asked the community to share images of their **favourite natural spaces** within the City of PAE and to tell us **why these spaces are so special** – here's what they shared

Megan's favourite Living Landscape
A small reserve and playground within a large residential suburb - it includes some beautiful trees and a bench for a moment of quiet.

McNicol Reserve, Rosewater

Catherine's favourite Living Landscape
Love the Port River, and the shifting light on the water surface.

Port River from Birkenhead

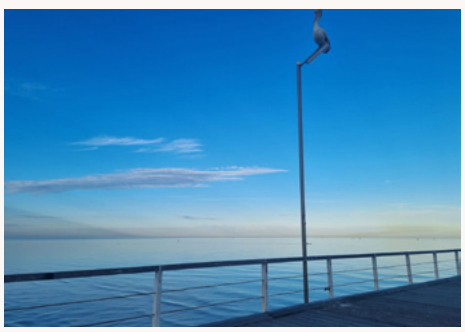

Peta's favourite Living Landscape
Just love kayaking around the shipwrecks and the mangroves. You might be lucky and have dolphins swim by. So quiet and peaceful. A beautiful spot, we are very lucky to have this in our neighbourhood.

Garden Island

Claire's favourite Living Landscape
This place is so close to the suburbs yet you feel like you are in the bush. The traffic sounds disappear and you just hear the birds and the water running.

Dry Creek Linear Trail, Walkley Heights

Tamara's favourite Living Landscape
Largs is special to me as it's where I learnt my love for parkrun, which has helped me to start getting back into my exercise and live a healthier life. It's also such a relaxing beach to go to.

Largs Bay Pier

Fiona's favourite Living Landscape
A place of peace and tranquillity. We love to observe the wide array of birdlife as we walk along the trail. Birdsong and the sound of frogs accompany us on our walk. The beautiful old gum trees bordering the river make us forget that we live only kms away from the Adelaide CBD. It is a truly special sanctuary for us.

River Torrens, Windsor Gardens

Craig's favourite Living Landscape
Foresters' Forest is an arboretum representing many different forests that you can find within South and Western Australia. Beautiful spot to sit and admire the birdlife.

Anna Meares Way, Gepps Cross

Laura's favourite Living Landscape
The lake is so beautiful and relaxing to walk around. The ducks and their babies are super cute.

Roy Amer Reserve, Oakden

Claire's favourite Living Landscape
Looking from Ethelton Park towards Hart's Mill over the Port River. A nice area to visit and walk around among the mangroves.

SAFE PET, SAFE FAMILY

COMMUNITY CONNECTION DAYS

Pets offer many benefits to their owners, from fitness and fun through to companionship and emotional support. This year, we're joining with local charity organisation Safe Pets Safe Families to run three Community Connection days. Funded by the Dog and Cat Management Board, these events give pet owners a chance to learn more about how to care for and manage their pets. Eligible owners can also get help with microchipping, registration and desexing.

Safe Pets Safe Families are a volunteer-run charity organisation working with people and pets in crisis. With a team that includes foster carers, caseworkers, veterinary staff and animal transporters, they work to keep owners and pets living together happily and healthily during situations like domestic violence, homelessness, mental illness and medical emergency.

The first event took place on Thursday 13 March at Kilburn Community Centre. Says Unjay, one of the attendees, 'This is a wonderful community event. I'm so glad to have found out these services exist.' Jonathon agrees, saying, 'What an important community service.'

Further Community Connection Days are on Wednesday 2 July (Enfield Community Centre) and Saturday 11 October (Lefevre Community and Sports Centre).

Don't forget to book ahead – you'll receive a free goodie bag, too!

CATS IN KILBURN

PILOT DESEXING PROGRAM

Cats are one of Australia's most-loved household pets, but owning one also comes with responsibilities. We've teamed up with the Animal Welfare League to trial a free desexing, microchipping and vaccination program for eligible cat owners in Kilburn. Over the next two years, we're aiming to desex 1,200 cats to help improve the health of cats in Kilburn and reduce the impact they can have on the environment, along with the nuisance they can cause. If the pilot is successful, we're hoping to expand the program across PAE.

DOG AND CAT MANAGEMENT

OUR NEW PLAN

We're required by law to develop a new Dog and Cat Management Plan every five years to guide our approach to dog and cat management that supports people to be responsible pet owners. Thanks to everyone who provided their feedback on the plan we've developed this time. To see the plan and what happens next, go to:

Memories of PAE Volunteer Week 2024

PAE now has over 78 volunteer roles for people to get involved in across the city. In 2024, volunteers provided 28,381 hours of support. In dollar terms, based on figures provided by Volunteering SA & NT, this works out to $1,344,691.78. Our youngest volunteer is 14 and our oldest volunteer is 88, so there's something for people of all ages to participate.

VOLUNTEER WEEK 2025

THANKING OUR VOLUNTEERS

On Wednesday 21 May we held a National Volunteer Week Recognition and Awards Event to thank the volunteers who give so much to PAE. Volunteers make an enormous difference. We'd like to thank the following amazing people for their contribution:

- 25 years' Service: Gill Gregory, Justice of the Peace at the Greenacres Library since 1999
- 15 years' Service:
  - Trevor McGair and Philip Wright, Graffiti Removal since 2009
  - Monika Ward, Lefevre Community Precinct since 2009
  - Eric Molnar, Home Support Vans since 2009

Thanks to all our other volunteers for your service – we couldn't do without you.

YOUNG VOLUNTEERS IN PAE

YOU CAN VOLUNTEER, TOO

If you're aged between 12 and 25 and you'd like to make a difference to your community, why not consider volunteering? There are so many ways you can get involved, from assisting kids in playgroups to helping out at your local sports club.

'I assist in a code club for children aged 8 to 13 run by PAE as well as assisting with preparations and packing up for the event,' says Angus, 23, adding that he gets satisfaction from knowing that he helped someone and made a positive difference to their life.

Volunteering also has benefits for the volunteer. It can improve your mental health, reduce your stress, and help you meet new people, learn job-relevant skills and develop leadership. Plus, it just makes you feel good.

> 'If I could offer any advice to a young person considering volunteering, it would be to just go for it,'

says Amazon, 17, who volunteers with Lil' Adelaide Rollers. 'It's an incredible way to meet new people, give back to your community, and brighten others' days.'

CELEBRATING 100 YEARS

PORT ADELAIDE CITY BAND

If you think you hear strains of band music filtering out from the Edgar D Oldfield Hall on a Wednesday evening – no, you're not imagining it! It's the Port Adelaide City Band rehearsing.

This year marks the club's centenary, and there's lots to celebrate, with a history that encompasses the Great Depression, World War II and more. Highlights from earlier years include performing in the City of Adelaide Concert (1970), the Labour Day March (1974) and the Australia Day Concert in Rundle Mall (1988).

The band's free street concerts at Christmas time in Pelham Street have been a big hit with children and adults alike since 1992, offering the chance to wander the street, admire its beautiful Christmas lights and listen to performances of carols and other popular tunes. The band also participates proudly in the Adelaide Anzac Day March, hosts a popular annual Wine and Cheese Afternoon and plays for the Port Adelaide Christmas Parade.

A cherished part of the community for a century, the Port Adelaide City Band hopes to thrive for the next hundred years, inspiring future generations of musicians.

New members welcome. Contact Peter Fechner on **0493 409 675** or email him at **pfechner@gmail.com**

STOP TO SMELL THE ORCHIDS

ORCHID CLUB OF SA

When you think of an orchid, you probably think of a beautiful flowering plant, but did you know that vanilla comes from an orchid? Or that the closest living relative of orchids is asparagus? If this piques your interest, you might like to come along to a meeting of the Orchid Club of South Australia (OCSA) to find out more. One of the oldest orchid clubs in Australia, founded in 1939 and celebrating its 85th anniversary celebrations in 2024, the club ran the orchid competition at the Royal Adelaide Show until 2023. It holds two meetings each month at the Enfield Community Centre. Meetings are free and open to the public and often include guest speakers or hands-on workshops – not to mention a beginner's group and a friendly social gathering at the end of the meeting. Says club member Graham, 'I enjoy the camaraderie at the meetings and the fact that experienced members readily pass on help and growing tips to anyone that asks.'

The club holds three major shows a year at Klemzig Community Hall, with this year's remaining shows occurring on Tuesday 8 July and Saturday 13 September. Entry is $5 to the public. Membership has plenty to offer, with other activities including running the Orchids in Schools program, participating in the annual Festival of Flowers and producing a monthly newsletter. Check out the club's website for more information – or come along to a meeting and introduce yourself.

ADD COLOUR TO YOUR STREET

PAINT YA POLE PROJECT

The popular Paint Ya Pole project continues, with more stobie poles being painted around PAE. Participant Victoria Marrs, local writer and children's book illustrator, says, 'I saw the Paint Ya Pole initiative and I knew I had to be part of it. My kids love spotting stobie pole artwork on our dog walks, and I wanted to bring that same excitement to our own street.'

If you want to bring some colour and make a difference to your own neighbourhood, why not consider participating? If your idea is approved, we'll even provide you with some free paint and anti-graffiti coating to protect it.

BREAKING DOWN BARRIERS

T K SHUTTER REOPENS

Recently we celebrated the reopening of T K Shutter Reserve, proud home to beloved local soccer club the MetroStars. The newly redeveloped reserve now includes four accessible and inclusive change rooms, along with dedicated women's change rooms, new offices, a boardroom, medical and referee facilities, an undercover spectator seating area and an upgraded foyer/entrance space. This project, which received funding support from the State Government, is just one example of how we're continuing to upgrade our community sports facilities as part of our Inclusive Sports Facilities program to break down barriers and support increased and diverse participation in sport.

COMMUNITY RECIPE

VANILLA RICE PUDDING

Made by Carlos Maya and originally published in our *Taste of Harmony at The Lights* cookbook.

PREP	40 Mins
COOK	2 hours
SERVES	15

If you have a cherished recipe that you'd like us to feature, send us an email **communications@cityofpae.sa.gov.au**

INGREDIENTS

1 ½ cups cold water
¾ cup uncooked rice
2 cups milk, divided
½ cup white sugar (or to taste)
¼ tsp salt
¼ cup golden raisins
1 tbsp butter
½ tsp vanilla extract

METHOD

1. First cook the rice. Bring the water to boil in a saucepan over medium heat and then stir in the rice. Reduce the heat to low, cover and simmer until the rice is tender and all the liquid has been absorbed, about 20 minutes.
2. Combine the cooked rice, 1 ½ cups milk, the sugar and salt in a clean saucepan and cook over medium heat, stirring often, until thick and creamy, about 15 minutes.
3. Stir in the remaining ½ cup milk and raisins. Cook for 2 more minutes, stirring constantly. Remove from the heat and stir in the butter and vanilla.
4. Serve warm.

A WELCOME TO EVERYONE

YITPI YARTAPUULTIKU

On Sunday 1 June, we celebrated the official opening of Yitpi Yartapuultiku, our new Aboriginal Cultural Centre in Port Adelaide, with a community event marking Parnatti (autumn to winter) and Waitpi (windy season). Yitpi Yartapuultiku is a living cultural centre grounded in Kaurna Country, a place for truth-telling, connection, creativity and community. Built with the guidance of local Elders, it provides a space where all people – Aboriginal and non-Aboriginal alike – can come together to learn, share, reflect and grow. It's a welcoming gateway to understanding Country, culture and community.

There's plenty to enjoy on a day trip, including gallery exhibitions of First Nations artists and walking trails. With shoreline restoration underway and local and migratory birds returning, it's also a must-visit for birdwatchers and environment lovers. Still to come are workshops, performances, tours and much, much more – check our socials or subscribe to the newsletter for updates.

Also soon to be available for hire are state-of-the-art function facilities and meeting spaces, ideal for corporate and local business events. Contact us for more information about bookings.

The Centre is open from 10am to 4pm throughout the week and from 10am to 2pm on weekends and public holidays. It's not just a building, it's a place of belonging – come and see for yourself.

AHOY THERE!

VISIT THE CLIPPER SHIP

If you're looking for a family outing on a cold winter day, why not visit the Clipper Ship in Port Adelaide? Currently being lovingly restored by volunteers, this 160-year-old passenger ship, which is the oldest of its kind in the world, was originally purpose-built to transport people from London to Adelaide. Young and old alike will enjoy the chance to see what life aboard this iconic ship was like in the 19th century and experience a piece of living history. One of four museums in Port Adelaide, the Clipper Ship is open seven days a week from 10am to 3pm.

GIVE GAMING A GO

Digital literacy is an increasingly important skill, and recently at PAE we've been involved in a cross-council collaboration bringing gaming to our libraries. We've added more games to our libraries, increased the number of school holiday gaming events and seen the popularity of consoles grow. We're all about inclusivity and fostering lifelong learning in a fun environment – so next time it's pouring down outside, why not pop into your local library and give gaming a go?

Meanwhile, coming up in July is Firstival, a month of events run by libraries across South Australia. Anyone who's a member can participate, so join up for your chance to learn how to make textured art or change a car wheel or enjoy a sound bath ... and more.

REDUCING FLOODING

MIDLUNGA PUMP STATION

This year, as part of an upgrade to the stormwater infrastructure network across our city, we've been finalising work on our brand new Midlunga Pump Station. This upgrade will reduce flooding on the northern end of the Lefevre Peninsula, keeping residents safe during times of heavy rain and helping to protect our environment by cleaning floodwater before it enters our waterways.

With a new detention basin west of Lady Gowrie Drive, new concrete chambers and related new underground infrastructure on and near Moldavia Walk, this work is all part of our commitment to protecting our waterways.
