

CITY OF  
Port Adelaide Enfield

# P.A.E today

Good Neighbour Day | Neighbour Day | Placemaking Grants | Australia Day Awards

*“The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kurna people of the Adelaide Plains and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kurna people living today”*

## Mayor Claire Boan

Welcome to our Autumn edition of PAE Today. Here you'll find the latest news about our community, and information about our current programs and projects. You can also access PAE Today online at [www.paetoday.com.au](http://www.paetoday.com.au)

This edition, we have a focus on our PAE Places grants. We want to work with you to activate and invigorate PAE's public places. So, if you have an idea for changing or improving an area in your neighbourhood, be it your street or a park, reserve, foreshore, riverfront, plaza, market, or public building we'd love to hear from you.

There is a lot happening in PAE. Our war on waste is continuing, and we have completed submissions to Federal and State Governments

regarding waste and recycling, waste in waterways, reducing landfill, developing a national model for data collection, and the proposal to prohibit the sale, supply and distribution of single use plastics across the state.

We have also been working on the proposed changes to the South Australian Planning and Design code, which will directly affect every landowner and developer in the state. We have concerns about a one-size-fits-all policy approach for the entire state, the removal of specific local conditions, and the proposed lack of council involvement in many aspects of the code. It is good to know that the Government have postponed its release date to allow more consultation with councils.

We also had a by-election for the Enfield Ward at the time of printing PAE Today, so I am looking forward to welcoming the newly elected Councillor over the coming weeks.

With the Fringe well underway, and over fifty events on in PAE, now is the time to get out and about to enjoy an outstanding range of art and culture in all its forms.

I look forward to seeing you at a PAE Fringe event, and don't miss our Port Fringe Street Party to end the 2020 Fringe on a high, and discover what makes PAE so special at this time of the year.

### Autumn Projects in the City of PAE *at a glance*

#### Building Projects

Eastern Parade Reserve changerooms  
LJ Lewis Reserve upgrades  
Largs Bay Sailing Club repairs  
Port Adelaide Athletics clubrooms  
Glanville Golf Course kiosk  
PAE Town Hall lighting  
SA Cycling Federation Clubroom kitchen

#### Stormwater/Drainage Projects

Fletcher Rd, Largs Bay  
Hargrave St, Largs Bay  
Henry St, Ottoway  
Princes St, Port Adelaide  
Pittwater Drive, Windsor Gardens

#### Road Projects

Chaucer St, Clearview  
Corconda St, Clearview  
Gordon Ave, Clearview  
North South Corridor, Dudley Park  
Port Wakefield Rd, Gepps Cross  
Floriedale Rd, Greenacres  
Manoora St, Greenacres  
Wootten St, Greenacres  
Rellum Rd, Greenacres  
Hender Ave, Klemzig  
Osborne Rd, North Haven  
Benthall Ave, Oakden  
Hedge Row, Oakden  
Hinton Mews, Oakden  
Webb St, Queenstown

#### Local Area Traffic Management

Rowe Ave, Northfield  
Woolnough Rd, Semaphore  
Wing St, Wingfield  
Hookings Tce, Woodville Gardens

#### Sports & Recreation Projects

Branson Ave Reserve tennis courts  
Delhi Ave Reserve playspace  
Ferryden Park Reserve playspace  
Jack Watkins Reserve irrigation/landscaping  
Largs Bay Foreshore shelter  
North Haven Reserve wheelstops  
Peter McKay Reserve upgrade  
Roy Amer Reserve bridges  
Semaphore Foreshore furniture

This is just a snapshot of the PAE projects we're working on, to see a full list: visit [www.cityofpae.sa.gov.au/current-projects](http://www.cityofpae.sa.gov.au/current-projects)

PAE Today is an official publication of the City of PAE and is produced four times a year. It is delivered across PAE to most residential properties via letterbox distributors and to businesses by Australia Post. Copies of each edition are also available from our Libraries and Community Centres, and online at [www.cityofpae.sa.gov.au](http://www.cityofpae.sa.gov.au) Please contact us if you require assistance to access a copy. Suggestions for articles can be submitted to [communications@cityofpae.sa.gov.au](mailto:communications@cityofpae.sa.gov.au) **Disclaimer** While every effort is made to report community information fairly and accurately, the City of PAE accepts no responsibility for any errors or omissions which may occur. The views of the contributors are not necessarily shared by the City of PAE.

◀Cover Photo Designers Michelle and Tracey with their historically inspired Largs Bay flag

**Cr David Wilkins**

Semaphore Ward is a truly unique destination where our natural environment, incredible coastline and diverse community are on display. With not one, but two of metropolitan Adelaide's best

beaches, dozens of cafes, bars and eateries and historic buildings oozing with character, it sure is difficult to pick just one favourite thing about our local area. What I love most, though is the people - and it's been such a delight to speak with so many residents about what's important to you. You are what makes this such a wonderful place to live.

**Cr Helen Wright**

My family and I have loved living on the Peninsula for more than sixty years and during this time I have been involved with many community groups. I love the serene, ever-changing foreshore

to the West, which is open to a diverse mix of community attractions, like the Greek Festival or International Kite Festival. Positive health on the Peninsula is also very important to me, particularly as we now have 30,000+ vehicles on Victoria Rd per day. To minimise the impact of that pollution, Council is trialling a free Community Bus service between North Haven and Port Adelaide. I am proud to be part of this very inclusive community.

## Ward in focus Semaphore

The Semaphore Ward is located along the coast and meets the Port Adelaide River. It includes the suburbs of Semaphore, Exeter, Birkenhead, Peterhead, Largs North and parts of Port Adelaide.

Several suburbs in this ward have Scottish connections. Largs is a town on the Firth of Clyde in Scotland while Peterhead is named after a coastal town in Aberdeenshire, Scotland.

Total population  
**12,229**

Total households  
**5,778**

Overseas born  
**21.8%**

**The Palais** | Constructed in 1922 after the destruction of the Semaphore Baths in 1917, the Palais was officially opened by the Mayor of Port Adelaide (Mr H Slade) on 23 December that year. The Palais was built to complement the existing seaside recreational complex surrounding the Semaphore jetty entrance and foreshore, which included a fairground, bandstands, rotundas, shops, and a picture theatre. Popularity declined in the 1930s and the Palais was used intermittently as a dance hall until the 1960s, when it was renovated and leased to the Semaphore Surf Life Saving Club. The Palais represents a time when going to the seaside was a popular form of entertainment and is the last remnant of this beachfront complex, an example of a social and historical phenomenon that has changed in modern times.

## Notes from PAE Council Meetings

### December 2019

- Heard deputations related to gaming machine review
- Established smoke-free areas at our dog parks
- Decision to trial opt-in services for compostable bags

### January 2019

- Heard deputation from Institute of Global Homelessness
- Decision to install a plaque at the birthplace of Sir Ross and Keith Smith, to commemorate 100 years since their epic flight from England to Australia
- Endorsed 2020 Australia Day awards winners
- Considered Regency Park Oval redevelopment following consultation

### February 2020

- Endorsed submission to Australia's Waste Management and Recycling Industries Inquiry
- Endorsed submission to State Government's Single Use Plastics Bill
- Agreed to consult on the revocation of Mansfield Park Hall and Windsor Gardens Hall
- Deferred a decision on Polonia Reserve and Regency Park Oval development for further consultation

# Everybody Loves Good Neighbours

## THE TRANSFORMATIVE POWER OF COMMUNITY

Neighbour Day in the City of PAE

**O**n her retirement, Pauline recognised that she had lost touch with her neighbours and community. The Peninsula resident signed up for one of the programs offered at the Lefevre Stadium in an effort to meet other local people. Pauline describes her experience at the course as the “best thing” because of the connections she’s made and says she now feels needed within the community.

Local people who have connected through our community centres and programs have reported feeling more grateful, having higher self-esteem, and feeling more comfortable with others. During March we are encouraging you to get involved in Neighbour Day activities, and to have a go at building better relationships with the people that live around you. When groups of neighbours

get together to share, learn and laugh, these relationships can transform our communities and make life better for us all.

Neighbour Day is a national day that helps us all create new bonds, deepen existing relationships and feel more at home in our suburbs. The main event for Neighbour Day in PAE is happening from 2-4pm on Saturday 28 March at the Lights Community and Sports Centre. Come along to meet other local people, hear a guest speaker from ‘Tablehood’ and share an afternoon tea. There will be information about our neighbourhood and volunteering programs, and we’d love to hear from you about your ideas to build local communities.

To RSVP for Neighbour Day in PAE: ☎ 8405 6010

▲ Take a seat at one of our chat benches

## HAPPY TO CHAT BENCHES

Loneliness is an increasingly common experience for many residents in our community, and is recognised as a serious health condition. But the good news is that there are plenty of friendly PAE people who are ready and eager to stop and have a chat. To create more public spaces for connection and friendship, we've set up several chat benches. Simply take a seat if you don't mind someone stopping to say hello! These benches will also be attended by our volunteer 'chatters' at designated times so look out for our signs.

## Got a great neighbour?

Tell us what you appreciate about them in 300 words or less for your chance to win them one of three SA food hampers.

✉ [service@cityofpae.sa.gov.au](mailto:service@cityofpae.sa.gov.au)

To coincide with Neighbour Day, we're offering \$50 vouchers to help you with supplies for your own Neighbour Day events. It could be a picnic in a local park, a BBQ for everyone on your street, a shared cup of tea in the yard or a group walk around the area with refreshments at the end.

For Neighbour Day inspiration visit: [www.neighbourday.org](http://www.neighbourday.org)

## CONTACT YOUR COUNCILLORS

At the City of PAE we have a Mayor and 17 Councillors that are located around seven wards. They are your representatives, so if you have any concerns, ideas or issues you would like to discuss with them please contact an Elected Member in your Ward.

# No Place

# Like PAE

## *PAE Places Grants*

**P**lacemaking is the name we give to actions that improve how we feel about and how we use the spaces around our city. Our PAE Places grants are available to individuals, groups and businesses to work together to improve and enhance public spaces in their communities.

We want everyone to be able to access and enjoy places that make them feel connected, safe and part of PAE. If you have an idea for creating a better local place, our grants team can assist you to test and develop that idea, and then support you to see it to fruition. We want to harness the enthusiasm and local knowledge that we know is out there to further inspire and intrigue residents and visitors, and make a positive impact across our communities. Your idea could be just about anything, from yarn bombing to neighbourhood parties and activations, as long as it creates better places and a stronger and more collaborative community. The following are just some examples of how local people have used their PAE Places grants to improve the look and feel of our areas.

A PAE Places grant has brought life and colour to this laneway ▲

## Creating unique places in PAE

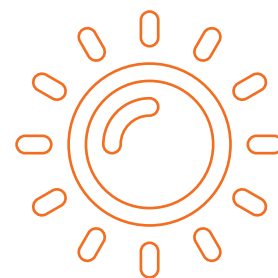

Autumn 2020

**“People walking past really appreciate it, and stop to pick out weeds, and local school children have taken a real interest in the plants that are growing here.”**

*- Peter Cates, Club President*

The laneway that runs alongside the RSL to Largs North Railway Station was recently upgraded with the help of a PAE Places grant. This is a very busy public thoroughfare that runs alongside the Largs Cenotaph and Memorial. Nine garden beds along the laneway are dedicated to unique military organisations and groups such as nurses, war animals, Indigenous Service Personnel and the

Merchant Navy. The garden beds are sustained by an upgraded irrigation system and filled with beautiful plants. The area is looked after by members of the community including members of the Largs Bay RSL Dad's Army and F Troop and children from Largs Bay Primary School. The garden has truly enhanced the way the laneway is used.

**The Pear Cafe used their PAE places grant for a street party to celebrate the Summer Solstice - the longest day of the year. The event included performances by local musicians and bands, recognition of local neighbours and inclusive craft activities.**

The Wearable Buildings project delivered by Open Space Contemporary Arts has seen local community members work with experienced designers and makers to create a series of vibrant costumes that reflect our distinctive built heritage. This project has been inspired by the innovative designs of the Bauhaus movement and the New York Architects of the 1930s, who costumed themselves as their buildings. The structural outfits raise awareness

about our historic and distinctive landmarks and literally help connect people to place. The playful and innovative costumes include the Steam Tug Yelta, the Port Adelaide Lighthouse and Semaphore War Memorial. These Wearable Buildings help us share the unique and quirky qualities of PAE and will make their debut at the Port Fringe Street Party, and also be on show at a number of other upcoming events.

► Wearable Building designs

### ▼ Signage enhances the Taperoo dunes

With their PAE Places grant, volunteer group Friends of Taperoo Dunes developed and installed informative signage to form a Dunes Coastal Trail at Taperoo. The signs, showcasing native plants as well as birds and other animals, attracted immediate positive responses from the community. People are now stopping along the walkway and engaging with the signs to learn more about the natural dune environment, demonstrating that there is a real opportunity for community education about our natural resources. As a result there has been increased interest in joining the group and contributing to the fantastic job they do in helping us conserve our beautiful and environmentally important local dunes.

# CITIZEN OF THE YEAR AWARDS 2020

*Recognising outstanding citizens across PAE*

Each year, in association with the National Australia Day Council, we seek nominations for our Australia Day Awards, presented to individuals and groups who have made an outstanding contribution to the community. This year there were many deserving nominees, and we especially congratulate the following winners in each category.

## **RIKKI COOKE** *Citizen of the Year*

Rikki Cooke is a social worker, foster carer, single parent and founder of Treasure Boxes, a South Australian not-for-profit charity providing essentials to babies and children living in disadvantage within our community. She created Treasure Boxes when she saw firsthand the hardships many children were facing as a result of poverty, homelessness and domestic violence. Rikki began seeking donations of clothes and toys for several foster children placed in her care, and soon realised there were countless other children across the state experiencing similar situations. Treasure Boxes was created to help children like the ones Rikki was caring for, find comfort during traumatic times.

## **ADELAIDE INTERNATIONAL KITE FESTIVAL**

### *Community Event of the Year*

The Adelaide International Kite Festival is a long-standing and high-impact event that attracts many thousands of visitors to Semaphore beach every year. It is a free event for children of all ages and adults to enjoy, it encourages community participation and attracts people from across PAE and beyond. This world-class event is like no other in Adelaide, with only a handful of competitors around Australia.

## **TRI-STATE GAMES**

### *Emerging Event/Community Group of the Year*

Tri-State Games is a sporting event for people living with disability. Lasting a week-long, the 2019 event was coordinated by volunteers and supported by local clubs who encourage sporting fairness and positive lifestyles through healthy competition and fun. Tri State Games was held across the Port Adelaide Enfield region, with local sporting clubs hosting sporting competitions for interstate visitors.

## **HANA ALI** *Young Citizen of the Year*

Hana Ali was nominated in recognition of her significant contribution to supporting young people from the Ethiopian & Eritrean Communities in Adelaide. Hana is a role model for other young people and a hardworking individual who dedicates much of her time to a range of community activities. Among her most recent achievements is organising an event for over 200 people to recognise and celebrate young leaders in the East African community.

View the highlights from the Awards and interviews with the winners at: [www.cityofpae.sa.gov.au](http://www.cityofpae.sa.gov.au)

▲ Fringe is for everyone! Humphrey visits adoring fans at Phillip Kennedy Centre

## SHINE ON YOU ROUGH DIAMONDS

Adelaide Fringe comes to PAE

As the Adelaide Fringe draws to a close for 2020, with only a handful of shows remaining, it's worth reflecting on all the fun that the Fringe brings to PAE. This year more than 30 local venues have hosted over 50 unique events during February and March.

There has been visual arts exhibitions in cafes, pubs and restaurants from the foothills to the port to the coast. We also featured cabaret and comedy aplenty, modern dance performances and more music than ever before.

City of PAE Libraries and our Visitor Information Centre have already hosted special sessions to celebrate the artistic invasion that is the Fringe. Our friends at the Parks presented more than ten separate productions, demonstrating just how versatile this much loved theatre space can be.

The supernatural took the spotlight this year...with Werewolves to avoid, Ghost Tours to take, and an interactive Zombie Apocalypse escape room. From interactive dance and music shows to multicultural stories for children, the PAE Fringe provides fun for all ages.

And, as a Fringe finale, the much loved Humphrey B Bear is set to take to the stage at the Phillip Kennedy Centre in Largs Bay in an interactive, intergenerational musical experience. For some audience members it will be a blast from the past and for others it will be an introduction to this local legend.

We then end the Fringe on a high with the Port Fringe Street Party, featuring a dazzling line up of everything that is the Fringe. With its wide variety of venues and a diverse and inspired program, the 2020 PAE has been shining bright in the Fringe calendar!

People

Ashley Tippins | Volunteer

Throwing some of the best parties in our community doesn't just happen by accident. Ashley Tippins is a volunteer with the Semaphore Mainstreet Association and works tirelessly alongside local traders to promote Semaphore far and wide. When she isn't volunteering with the Association, she runs the popular Semaphore Street Fair, carols and twilight markets, a host of events that make Semaphore such an iconic destination.

Ashley lives and works in Semaphore which she regards as "the best place in the world"! Semaphore holds a special place in Ashley's heart and she loves everything about the area, from the iconic Palais Hotel, to the funky eclectic shops and cafes, that make this destination such a drawcard for visitors and a great day out for people from all over.

When asked why she does it, her answer is simple,

“  
My job is making  
people happy,  
I get such a kick out of seeing  
people having a good time.”

Thanks Ashley, for combining your creative flair, dynamic organisational skills and unwavering passion for our community.

Watch Ashley's video and meet more local heroes at @paepeople on Facebook.

*Correction: Roz McGowan, featured in the 2019 Summer Edition of PAE Today has not been a parishioner of St Bede's Anglican Church, Semaphore for four years.*

If you know of any unsung heroes that should be acknowledged as PAE People, please contact:

✉ [communications@cityofpae.sa.gov.au](mailto:communications@cityofpae.sa.gov.au)

## A NEW SHED FOR MATES

*Men's Shed opens in Enfield*

In February we officially opened a new Men's Shed next to Enfield Community Centre, ready to play an important role in delivering health and wellbeing programs for men in our community looking for mateship and opportunities to develop new skills - or to practice old ones.

The idea for the shed was initiated by the Northgate Oakden Residents Association and funding was provided through a \$150,000 grant from Department of Premier and Cabinet together with financial and other support from the City of PAE. Regency Community Men's Shed Inc is a registered charity, and member of the national Men's Shed Association.

Of course, the Shed wouldn't exist without the hard work and passion of each individual volunteer who will be pitching in to keep the centre running and provide a much-needed place in the community.

Regency Community Men's Shed is actively seeking new members, and both men and women are welcome. To contact the Shed, drop in during the day or give Enfield Community Centre a call.

 8405 6556

## GONE FISHIN'

*New Fish Feeders group gets sea legs*

Our new Fish Feeders group is a fantastic way to enjoy a relaxed morning of fishing and crabbing on the picturesque Largs Jetty. Fishing is a great way to get some fresh air and socialise without judgement. The group welcomes everybody regardless of skill level, so there is absolutely no pressure. In fact, our friendly Fish Feeders group is aptly named because like many people who enjoy fishing, they feed more fish than they catch!

Craig says he enjoys the social aspect of the group, "I really enjoy spending time next to the water and having some time out from my life to relax." The group has helped him to meet new people who love a good chat while staring out across the water.

Fish Feeders meet at Largs Jetty on Monday mornings from 9-11am in summer and 10.30am-12.30pm in winter. Transport options are available to eligible residents. All participants receive bait, and everyone receives a Fish Feeders hat and shirt. To get involved contact our Home Assist Team.

 8405 6804

 [paehomeassist@cityofpae.sa.gov.au](mailto:paehomeassist@cityofpae.sa.gov.au)

## WANDER IN WONDER

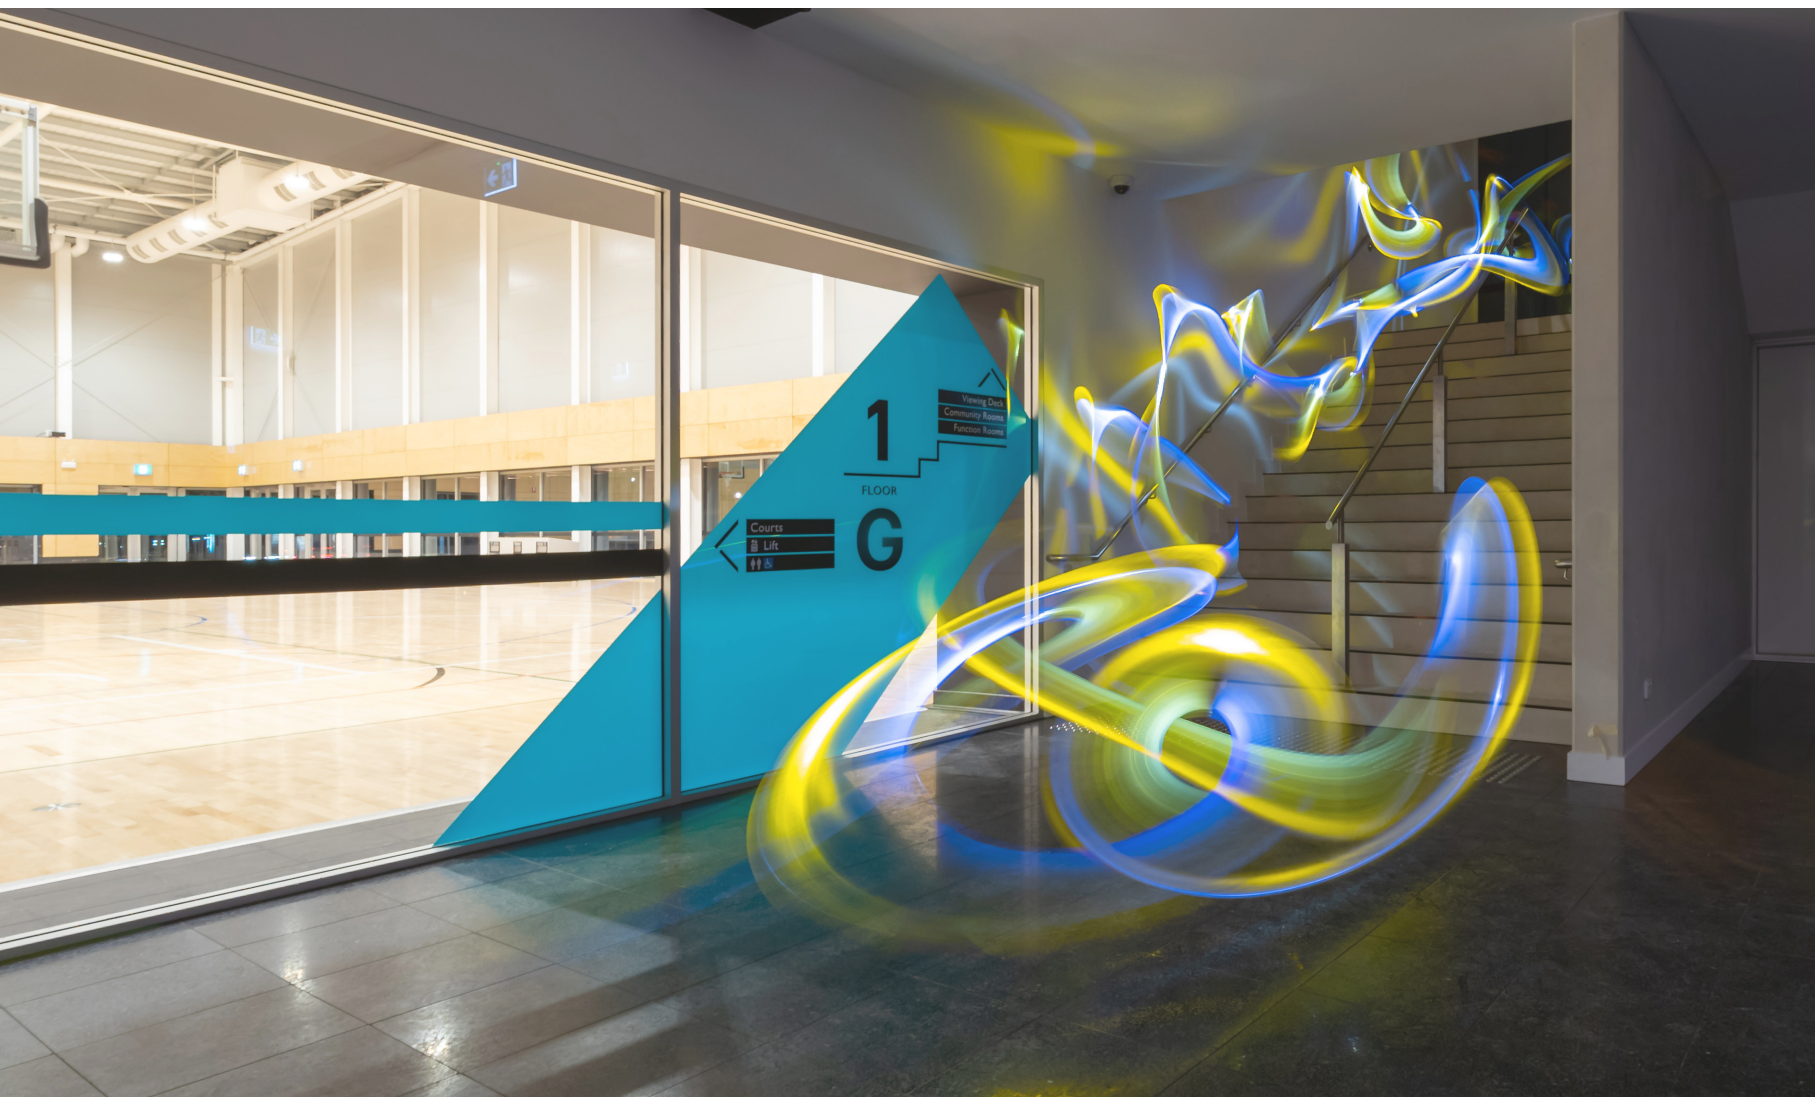

*Enjoy Wonderwalls 2020 in the Port*

The Wonderwalls Festival took over Port Adelaide from 6 to 8 March with artists transforming bland walls into high profile destinations across the City centre. Wonderwalls brought the community together with world class artists, South Australia's emerging talents and a selection of the best local Port creatives for a weekend of creation and celebration. The festival opened with a party on Friday night, followed by a weekend of photographic and walking tours allowing people to watch the artists in action.

This year we welcomed PichiAvo, Demsky, Vesod, Rosie Woods, Scott Marsh and Jasmine Crisp. Their works are now sitting proudly on new walls around Port Adelaide, joining existing Wonderwalls from previous years. Seeing the walls for yourself is a great day out, so grab a map from their website or download the Visit Port Adelaide app for an interactive guide.

 [www.wonderwallsfestival.com](http://www.wonderwallsfestival.com)

## LOOK TO THE LIGHTS

*Make your next event one to remember*

If you're looking for a versatile space for an upcoming function or event, consider the Lights Community and Sports Centre in Lightview. This versatile facility has a range of rooms and functions spaces that can be configured to suit all kinds of needs – be that a community group or corporate event. Even for large-scale events of up to 250 people, we'll make the planning light-work for you! We can help you arrange catering, leaving you to entertain your guests and enjoy your event! We can also arrange kid's party packages that can include sports or team games, disco, giant games or video games.

 **8405 6804**

## FUN IN THE SUN

*Solar power for recycling facility*

We announced last year that the Cities of PAE and Charles Sturt are collaborating to build a new state-of-the-art Material Recovery Facility (MRF) in Kilburn. This means we can take control of the processing and disposal of recyclable material collected from across PAE. Plans for a landmark MRF have been lodged with the State Government's development panel, and plans for the \$12.8 million Kilburn plant show a major solar system will be installed on the warehouse's roof to provide up to 100% of its power needs.

We also included a report by consultancy firm The Energy Project, that demonstrates that the solar power system could save both councils more than \$60,000 a year and repay itself in five years.

The MRF will handle all of the recyclable waste collected within the two councils, and we will work with local businesses to turn the waste into usable products such as road surfaces and plastics.

In our submission to the State Commission Assessment Panel, we highlighted the fact that recycling management had so far been

outsourced to the private sector and thus "locked out" councils from important information and decisions about waste. This means that we have been unable to respond effectively to community concerns that have emerged in recent years, but this new facility will give us the opportunity to more actively and immediately engage with the ever growing need to effectively manage our waste.

**Your rates notices can now be sent electronically, saving paper and making it more convenient for you to manage your rates payments.**

**To give you ready access to your rates notices on any device at anytime, register for EzyBill, by visiting:**

 **[www.cityofpae.sa.gov.au/rates](http://www.cityofpae.sa.gov.au/rates)**

▲ Providing plentiful parks for PAE pooches

## HELP OUR HOMELESS

### Reconnecting the City of PAE

We care about the health and wellbeing of our community, and homelessness is a very real and significant problem that we are committed to addressing at the earliest possible stage.

PAE is the only council in South Australia to deliver the nation-wide and federally funded Reconnect Program, which aims to prevent homelessness by intervening early with families and young people to stabilise and improve their housing situation.

Over the past 21 years we have been working with young people who are at risk of homelessness, to enrich their relationships with their family, stay at school, undertake skills training, find employment and participate in their local community.

Since July 2019 PAE Reconnect has supported over 60 young people and their families to improve their relationships and help break the cycle of homelessness.

We believe that early intervention, mediation, building strong family connections and providing access to support networks and mental health

services can help to reduce homelessness and keep our young people safe in our community.

We are currently looking at how as a Local Government entity we can work more effectively with the State Government, service providers and advocacy groups to reduce homelessness.

If you or a young person you know may need Reconnect's services, give us a call on

 1800 448 999

## APPY DAYS WITH LIBBY

### New library companion app launches

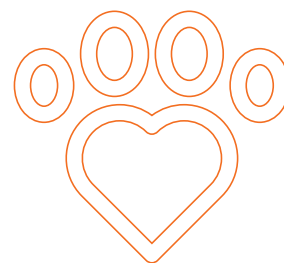

Libby is a public library app that allows you to access thousands of eBooks and audiobooks. You can borrow them for free, instantly, using the device in your hand with just a few taps! eBooks and audiobooks can be downloaded for offline reading, or you can stream them to save space. The app has many great features such as keeping track of your reading history, the ability to sample any of our great books and much more! See your friendly library staff or jump online and check it out today.

 [www.cityofpae.sa.gov.au/library](http://www.cityofpae.sa.gov.au/library)

## DOGGY DAY OUT

### Public places for our best friends

We're committed to design and build public places that are safe, comfortable, accessible, well connected and with amenities for our people and their pets! We provide a range of public open space for dogs and their owners including a coastal shared path along the foreshore, linear park, time-share parks, and three dedicated off-leash fenced dog parks. These dog parks are located at Jack Watkins Reserve on Churchill Road Kilburn, L J Lewis Reserve on Stirling Street Northfield and Roy Marten Park on Military Road Taperoo. Our dog parks have recently been designated as smoke-free areas to help ensure that everyone can enjoy being there. All other parks or reserves in PAE are off-leash at all times except for those identified as a dog prohibited, or dogs on-leash (at all times and time-share) areas. For the safety and comfort of our littlest residents, dogs are prohibited within an enclosed children's playground or within three metres of an unenclosed children's playground. There are also four conservation zones in parks and reserves where dogs are prohibited - Barker Inlet Wetlands, Wingfield Magazine Creek Wetlands in Gillman, the Range Wetlands Wingfield and Folland Park in Enfield.

The popular Doggy Day on the Green is happening again on **Saturday 4 April** at Point Malcolm Reserve in Semaphore Park.

Join us for a wonderful fun-filled and informative day out with your best friend! We will have more stalls, more competitions and more dog training, behaviour and communication workshops. Chat to your animal management officers, learn how to better understand your dog, discover training tricks and tips and get your dog microchipped for only \$10!

## THE BUTTERFLY EFFECT

### *Bringing back the butterflies*

Ottaway is one of Adelaide's hottest suburbs and if you live or work in the area you are invited to a public meeting in March to learn how you can help to Cool Ottaway.

Register now for a barbecue at the Junction Community Centre, 2A May Terrace Ottaway, and learn about heat mapping, canopy cover, the costs of too much heat and the benefits of cooling with natural shade.

The Junction Community Centre has partnered with the Bringing Back the Butterflies (BBB) Project to work with the local community to increase tree cover, shade and their cooling effects to make Ottaway a better place.

BBB is a project designed to educate people about our natural biodiversity and increase the native vegetation that our native butterflies (over 40 species), birds, bees, microbats etc, need to return to our urban spaces. BBB started in Port Adelaide with the support of a PAE Places grant in 2018. Since then the project has helped local individuals and communities establish over 50 butterfly-attracting gardens across Adelaide.

For more information check out BBB on Facebook. If you have space for a tree or butterfly garden at your place, contact BBB. BBB is a project of the Australian Association for Environmental Education SA.

## AFTER SCHOOL PROGRAMS

### *Raising the next generation of eco-tech warriors*

There's already many free and fun programs available after school at your local library - and now there's two more!

**Lil Greenies** is a weekly program for children aged 5 –10 years to learn about the environment in a fun, hands-on way with creative and sustainable activities including going on excursions! Held at Semaphore Library each Monday 3.30 – 4.30pm during school term. Older children aged 8 –15 years who are interesting in technology should check out our new weekly program **Code Club**. At Code Club you can learn how to make cool games, animations and websites too! Sessions are held weekly on Thursdays from 3.30 – 4.30pm at Greenacres Library and Tuesdays from 3.30 – 4.30pm at the Parks Library.

## CALM AFTER THE STORM

### *Improving stormwater flow in our suburbs*

When we experience heavy rain downpours, stormwater from across Adelaide flows through the City of PAE on its way to the sea. Major infrastructure works over recent years have seen the successful installation of larger stormwater pipes under roads to help manage this flow, as well as new pump stations to move water around the peninsula more effectively and manage discharge into the river.

We are undertaking works to implement a number of flood mitigation strategies which divert stormwater flow away from the peninsula, towards the ocean. As part of this, we have six stormwater construction projects currently underway across the city which you can read about on our website.

### STOCKADE PARK

Stockade Botanical Park, off Hoods Road in Northfield, is an oasis in a busy part of our City. The park was created in quarries adjacent to the Yatala Labour Prison site, which was originally known as the Stockade. These quarries were worked by the prisoners, with the pre Cambrian rocks used for the construction of the prison, which opened in 1854. Rock-cracking and hard labor - the

breaking of one cubic yard of rock per day, was a normal part of prison life, with this harsh treatment seen as a deterrent to other would be offenders.

The quarries were later used for refuse dumps and by 1979 were partially filled. Today, Stockade Park has five main areas that provide spaces for a wide range of occasions and events. It is a tranquil and relaxing park setting that is spread over more than five hectares, offering many special features including a 12 metre high waterfall that tumbles over the cliff of the old, landscaped quarry. The former quarry is now the site of a special sensory garden that is filled with colourful and aromatic plants.

## AUTUMN EVENTS

We're bringing you a great range of exciting events - it's on in PAE! Further information about these events is available online, and we regularly update each event listing:

 [www.cityofpae.sa.gov.au/whats-on](http://www.cityofpae.sa.gov.au/whats-on)

**Sat 14 Mar**

### Port Fringe Street Party

We are throwing a street party to end the 2020 Adelaide Fringe on a high! Featuring the Fringe on Tour caravan, performance, entertainment, music, workshops, food and drink, installations. Entertainment includes The Young and The Wrestlers live Mexican wrestling, the surprising and the amusing. Shine on at various venues around Adelaide's rough diamond, Port Adelaide! 6–10pm.

**Sat 11- Mon 13 Apr**  
**International Kite Festival**

Recognised as Community Event of the Year at our 2020 Australia Day awards, the Adelaide International Kite Festival will be back at Semaphore this Easter long weekend. This event is like no other in Adelaide. Hundreds of kites with a variety of wonderful shapes and colours will fly high above the foreshore. So many kites flying high at the same time is sure to be a stunning sight over the sea. As in recent years, the Festival Marketplace will return with stallholders selling their wares and running activities for everyone to be involved in. The market area is on the foreshore and open 11am–5pm daily. Make a day of it and enjoy all that Semaphore has to offer; picnic spots, playspaces and local eateries, cafes and bars.

## OTHER EVENTS

From Northfield to North Haven, Gepps Cross to Glanville and Enfield to Ethelton, there's plenty of unique and local events in PAE. For a full list of all events, times and details visit:  [www.cityofpae.sa.gov.au/whats-on](http://www.cityofpae.sa.gov.au/whats-on)

**Sun 15 Mar**

### Feast on the Foreshore

Free, family-friendly LGBTIQ+ event held on the beautiful Semaphore foreshore. Come along and celebrate SA's vibrant gay community! There will be information and market stalls, food vans, Drag Queens, roving performers and a free-entry dog show with great prizes.

**Sat 21 Mar**

### Kilburn Community Welcome Lunch

People from all walks of life meet at the Kilburn Community Centre, to share delicious food and make new connections. Bring a dish from your culture and share it with us at a pot-luck style dinner. Be touched and entertained by stories of life, love and change. Booking is essential:  [www.kilburncommunitylunch.eventbrite.com.au](http://www.kilburncommunitylunch.eventbrite.com.au)

**Sat 21 Mar**

### Street Smart Multicultural Festival

A community event to celebrate Nawroz (Persian New Year), one of the major cultural occasions for our Farsi speaking communities including Afghans, Tajiks, and Iranians. Everyone is invited to this multicultural street festival along Prospect Road in Kilburn, which will offer performances, diverse ethnic foods and cultural stalls.

**Sun 22 Mar****Adelaide Chrysler Festival**

SA's biggest public celebration of Chrysler vehicles old and new, including Dodge, Plymouth and Valiant, in the historic surrounds of the Port Adelaide wharf precinct. Enjoy hundreds of Chrysler vehicles, immaculate and survivors, as well as local food stalls, coffee vans, kids' playground and a community radio broadcast.

**Wed 25 Mar****2040 Film screening**

The Port Environment Centre presents a screening of *2040 (G)*, a hybrid feature documentary that offers ideas about ways to regenerate the world for future generations. Costs apply.

**Sun 29 Mar & Sun 31 May****Port Adelaide Heritage Bus Tour**

Take an historical journey through the Port Adelaide region, with a lively commentary from a friendly guide. Officially established in 1840, only four years after the foundation of South Australia, Port Adelaide played an integral role in the colonial development of South Australia. This two and a half hour trip will take you through our maritime heart. Costs apply.

**Sat 4 April****Enfield Car Boot Sale**

Grab a bargain at the Enfield Community Centre! Free activities for children including face painting, plus coffee vans, sausage sizzle and more. Stalls \$10 per site.

**Thurs 16 Apr****Outdoor Movie at Valley View Golf Course**

Free family night out, with face painting and food trucks available at the screening of *Ralph Breaks the Internet (PG)*.

**Sat 25 Apr****ANZAC Day**

A number of sites across PAE will conduct commemorative services for Anzac Day.

Visit  [www.slsa.org.au](http://www.slsa.org.au) for details and updates.

**Sat 30 May****Fork Under the Sea**

As part of the Fork on the Road series, this event will bring together Adelaide's gourmet food trucks and great entertainment in a licensed environment at Hart's Mill. This year there is a marine theme, with decorations, performances and activities to help demonstrate the connection between our Port Adelaide and its water and marine activities.

## LIBRARY SCHOOL HOLIDAYS

This holiday's theme will be Active April. The library service wants to encourage activity in children and show some of the ways that this can be done. Join the Hoop Yoga, funk dancing or learn circus elements with trained facilitators. Holiday activities will also include an indoor obstacle course at each site. Storytime also follows the theme with interactive movement stories, music and dancing. Below is a small selection of what's on offer:

**Playing Ye Olde Way**

Come and find out how to play games from back in the day with pick-up sticks, hopscotch, races and other fun games. Children will also make their own game that they can take home.

**Circus Elements**

Have fun in a hands on quirky introduction to different circus equipment. Children will be given step by step instructions and learn classic circus elements such as juggling basics.

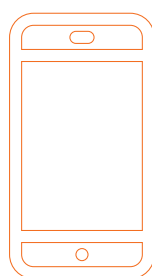

**Pure Funk Dance**

Pure Funk Dance strives to encourage, inspire and create dance. Come and learn some funky dance moves with an experienced teacher.

**Hoop Yoga**

A fun twist on traditional yoga for children with a qualified teacher. A fun hour of Yoga using hoops, plus relaxation and games.
