TERMS AND CONDITIONS

Definitions

In this By-law 'prescribed animal means': a rooster that is two (2) months or older.

A permit is required to keep a prescribed animal.

A person must not, without the permission of Council, keep or cause, suffer or permit to be kept, a prescribed animal on:

- Any residential premises; or
- Premises within 100 metres of the boundary of neighbouring residential premises

The Council may require that the premises, which are the subject of an application for permission to keep a prescribed animal, are inspected by an authorised person for the purpose of assessing the suitability of the premises for keeping a prescribed animal.

The Council must consider the following matters in determining whether or not to grant permission:

- Whether an insanitary condition exists or has existed on the premises as a result of the keeping of animals
- Whether a nuisance is caused or has been caused to any neighbour as a result of the keeping of the animal on the premises, or is likely to be caused
- The nature and size of the premises and whether the animal can be adequately contained thereon
- Any other matters the Council (or its delegate) considers should be taken into account.

The City of PAE officers may inspect the property at any time to ensure that the conditions of the approval are being complied with.

Any breaches of these terms and conditions may result in cancellation of this permit.

I understand that permission to keep a prescribed animal will only be granted subject to approval by an authorised person of the City of PAE. I also understand that City of PAE may revoke this permit at any time by way of notice in writing stating the reason for revoking the permit.
