PEOPLE MADE

PORT ADELAIDE ENFIELD

Mayor CLAIRE BOAN

Summer gives us a chance to get outside to enjoy the world and the people around us.

It's a fabulous time of the year to enjoy the beautiful parks, beaches and public spaces around PAE. On that note, I'm excited to share that we have recently completed several key projects. The stunning waterfall upgrade at the much-loved Stockade Park is now finished, and new infrastructure and community clubrooms at T K Shutter and Greenacres Reserves are ready for everyone to enjoy. There's also a new fully accessible public toilet on Largs foreshore – and much more.

We're committed to improving the quality of life for everyone around PAE, whether through infrastructure upgrades, sustainability initiatives or support for local businesses. In addition, this summer, we're offering an exciting events schedule, including the Christmas Parade at the Port, Dockside Festival and numerous smaller community activities, many of which we proudly sponsor through council grants. Don't forget all the seasonal events and activities happening at your local community centre and library, too.

Meanwhile, it's important to stay safe during the warmer months. Whether you're heading to the beach or spending time in the heat, please remember to take care of yourself and look out for others, including elderly people and pets. Our Community Safety Officers, beach patrols and community development teams are available to offer guidance and support, alongside community organisations like Surf Lifesaving SA and the SES, who are there when and if the need arises. Additionally, our libraries and community centres are air conditioned and provide a welcoming space to cool down during the summer heat.

As the sun shines more brightly, I'm reminded of the incredible people who make our city what it is today. Whether you've lived here your whole life or recently joined our community, your involvement in local activities and initiatives strengthens the bonds that make our area such a special place to call home.

So, whether you're gathering with family, attending local events or exploring our beautiful natural spaces, make the most of this season. Enjoy the sunshine, stay safe and have a wonderful summer!

ACKNOWLEDGMENT OF COUNTRY

The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains and pays respect to Elders past, present and emerging. FOUR YEAR BUSINESS PLAN

Everything we do at PAE is shaped by our City Vision, which sets out our aspirations for the next 10 years. To help us implement the City Vision, we have developed a Draft Four Year Business Plan, which gives an overview of the strategic emphasis and key projects that we will implement over the next four years to achieve the goals and objectives of the vision in the medium term.

We are asking for your feedback on the Four Year Business Plan in December, so head over to **participate.cityofpae.sa.gov.au** to follow the project and to be notified when the draft document becomes available online.

SEASONAL RECIPE

SAUSAGE ROLLS – MAKES 24

MADE BY CHRISTINE WILLIAMS
and originally published in our *Taste of Harmony at The Lights* cookbook.

If you have a cherished recipe that you'd like us to feature, please email it through to **communications@cityofpae.sa.gov.au** and include a brief description explaining why this recipe is significant to you.

INGREDIENTS:

- 2 tbsp olive oil
- 1 red onion, finely chopped
- 1 cup panko (Japanese) breadcrumbs
- 450g minced beef
- 450g minced pork
- 1/2 tsp dried chilli flakes
- 1/4 cup tomato paste
- 1 tbsp red wine vinegar
- 1 tbsp Worcestershire sauce
- 1 tbsp Dijon mustard
- 2 rashers middle-cut rindless bacon, finely chopped
- 2 eggs
- 6 sheets of puff pastry, thawed if frozen
- 1 egg, extra, lightly beaten, for eggwash
- 2 tbsp sesame seeds
- Tomato sauce, to serve

METHOD:

1. To make the filling, heat the oil in a frying pan over medium heat. Add the chopped onion along with 1 tsp salt, and cook, stirring, for 8 minutes or until the onion is soft. Cool for 5 minutes.
2. Using your hands, combine the onion in a bowl with the breadcrumbs, minced meat, chilli flakes, tomato paste, vinegar, Worcestershire sauce, mustard, bacon and 2 eggs.
3. Preheat your oven to 190°C (fan forced). Cut each roll of pastry in half width-wise. Using a rolling pin, roll each piece out on a lightly floured sheet of baking paper to 22cm x 26cm. Lightly prick the pastry with a fork and then brush it with some of the eggwash, reserving the remaining eggwash for later. Place one-quarter of the filling along the long edge, leaving a 3cm border, and then roll it up to enclose the filling. Repeat with the remaining pastry, filling and eggwash to make 4 rolls.
4. Place the rolls on a tray lined with baking paper and freeze for 10 minutes to firm them up before baking.
5. Trim 5mm from both ends of each roll and brush with more eggwash, then scatter with sesame seeds. Using a finely serrated knife, cut each roll into 6 pieces and place on 2 oven trays lined with baking paper.
6. Bake for 40 minutes or until the sausage rolls are golden and piping hot.

PAE ENGINE ROOM

SUPPORTING LOCAL BUSINESS

PAE'S ENGINE ROOM

At PAE, we support businesses of all shapes and sizes. Our commitment to diversifying the economy and supporting and recognising business initiatives that create local employment is also an important part of our City Vision 2024–34.

Enter the Engine Room, a series of events offering local businesses the chance to connect, learn and grow. Events in the second half of this year included the Develop Your Personal Pitch for Networking Success event in October. The November session featured the launch of a new grant program for small businesses, and covered tips for successful grant writing. Both events were a fabulous opportunity for business people to exchange business cards and form relationships.

Whether you're new to the business world or want to grow your existing business, you'll find an Engine Room business event to support you and your business..

SMOOTH SAILING

CRUISE SEASON 2024–25

This summer, we are set for another remarkable cruise ship season. With around 40 cruise ships scheduled to arrive in Outer Harbor, bringing more than 82,000 passengers and 31,000 crew members, we are working with local businesses and tourism operators to help them capitalise on the influx of visitors. Our Cruise Shuttle Bus Service will operate on 13 key arrival dates, connecting passengers with local attractions, experiences and businesses, and encouraging them to explore our wonderful region. This is a vibrant, growing sector and, supported by the South Australian Tourism Commission's ongoing efforts, we're thrilled to be at the forefront of supporting it.

BIRDS OF A FEATHER NEST TOGETHER

NEW NESTING BOXES AT YITPI YARTAPUULTIKU

Yitpi Yartapuultiku, the new Aboriginal Cultural Destination in PAE, is coming to life! In addition to building the centre, we are landscaping the surrounds and creating a living shoreline to support the health of the river, reduce the risk of flooding and enhance biodiversity.
Our nature restoration work includes planting native vegetation and installing 11 bird boxes and 16 bat boxes across the site to protect native fauna. Good news – a pair of parrots have already moved into one of the nesting boxes, and cormorants and other birds are using the new logs and posts as roosts. With signs of life like this, the centre is well on its way to providing a nature sanctuary right in the heart of the Port.

PSST ... ! IS THAT A SNAKE I SEE?

SNAKES: PART OF OUR NATURAL ENVIRONMENT

Snakes are an important part of our environment, helping to reduce the number of rodents like rats and mice. They are most active in the spring and summer, when they wake up from winter dormancy and come out in the sun to warm up. Snakes don't like confrontation, however, and they will try to move away or hide if a human comes across their path. If you see a snake on council land, you can call us to request an officer to attend, as long as the snake is not moving and you are willing to watch it from a safe distance until we arrive. Alternatively, simply keep yourself, your pets and your children safe by staying away from the snake. Remember ... snakes are likely to be just as afraid of you as you are of them!

FOLLOW THE (NEW) TRAIL

INTERACTIVE WALKING TRAIL

Last year we received feedback from our community about the need for a walking trail at Lefevre. Fast-forward to Saturday 2 November this year, when we launched Stage 1 of the new Lefevre Interactive Walking Trail. Designed to attract families and provide an educational experience that keeps young people engaged and physically active, the 800m-long trail starts at the Lefevre Community Stadium, loops around the Lefevre Recreation Reserve and Peter Cousins Reserve and finishes back at the tennis courts. It features signs in both English and the Kaurna language showcasing a theme that will change annually, with the inaugural theme being 'Words Grow Minds'. Look out for further improvements in the future, including a compacted surface to make the trail more accessible.

MAKING PAE MORE ACCESSIBLE

PROVIDING ACCESSIBLE SPACES

We recently opened the third accredited Changing Place in PAE, which joins our Changing Places at the Lights Community and Sports Centre and the Parks Library to make PAE the city with the most Changing Places of any region in South Australia.

A Changing Places toilet facility allows people with high support needs to participate in community life without having to worry about being able to access a suitable toilet. The new Changing Place in Largs Foreshore is part of a new, fully accessible public toilet facility that also includes four unisex toilets, two female cubicles, two male cubicles, two accessible toilets, baby changing facilities and an outdoor shower area. There is also a change table and hoist, for extra accessibility. This project forms part of our long-term Public Toilet Plan, which aims to provide accessible, safe, convenient and hygienic restroom facilities across the city. There is also a new temporary toilet near Fisherman's Wharf in Port Adelaide, which will be available for the public to use while we work on developing a permanent solution. Meanwhile, with the arrival of summer, our popular Beach Access mats at Semaphore and Semaphore South give people with access requirements (such as wheelchairs, walkers or prams) access to the beach. These long, sturdy mats are placed over the soft sand to help people reach the firmer sand (depending on tidal conditions, which vary). The mats are clearly signposted along the foreshore and easy to find.

Find out more about the new toilets at Largs Foreshore at: **participate.cityofpae.sa.gov.au/largs-bay-toilet** and view the location of our Beach Access mats at: **cityofpae.sa.gov.au/about/disability-access-inclusion**

GREENACRES RESERVE

GREENACRES RESERVE GETS A MAKEOVER

We have now finished upgrading Greenacres Reserve. This initiative was jointly funded by the City of PAE and the Office for Recreation, Sport and Racing to support the four sports clubs that call this reserve home. The upgrade includes brand new clubrooms, with two accessible and inclusive change rooms, a medical room, umpires' room, shared function space and public toilets. We have also revamped the courts on the reserve, including the tennis court, basketball/netball practice court and cricket practice nets – all of which are available for public use when they are not in use by the clubs.

NO SPORTS EQUIPMENT? NO SWEAT

FREE SPORTS EQUIPMENT LIBRARY AT LEFEVRE

Are you looking for somewhere to play sport? Come on down to Lefevre Recreation Reserve, where there are multisport outdoor courts, a skate park, grassed areas and outdoor fitness equipment, all available seven days a week until 9pm. (Lights come on between sunset and 9pm daily.) You can also hire a wide variety of sports equipment for free from the sports equipment library, including basketballs, netballs, footballs, soccer balls, tennis racquets and tennis balls. For more information, contact the Lefevre Community Stadium on **8405 6908** or search our website.

BECOME A VOLUNTEER WITH PAE

Are you passionate about making a difference in your community? Do you want to become part of a new movement connecting people to local community supports to improve their health and wellbeing? Then we invite you to join our social prescribing project team as a Volunteer Community Connector.

Social prescribing is a holistic approach to health care that helps people connect to their community, navigate services, access resources and stay healthy in ways that are meaningful to them. Volunteers for this project will make a difference, gain experience, develop skills and meet like-minded people. We have several roles available depending on your skills and your availability, including Co-ordinator, Connector, and Research and Support.

HIRE A RESERVE OR COURT THIS SUMMER

Did you know that many of our sporting grounds and courts have hire arrangements with sporting clubs and groups based in PAE? This means that not all sporting grounds and courts are available for a friendly game of cricket or a hit of tennis unless you book first. Some facilities also have conditions on when they can be used for recreation outside of club/group use. From cricket nets to soccer ovals, from spaces for netball to tennis, there are a range of sporting grounds and courts that you can hire across the city.

OUT & ABOUT

NATURE FESTIVAL

Throughout September and October, we celebrated our diverse natural landscapes, from coastlines and wetlands to parks and mangroves. Community members enjoyed wildlife experiences at local libraries, guided walks, environmental workshops, art classes and more.

WORDS GROW MINDS

In early November, families joined the City of PAE Libraries team at Lefevre for a free, fun-filled morning featuring face painting, an animal farm, live music and the launch of the new Lefevre Activity Walking Trail. If you missed it, get down to the reserve and check it out!

EASTERN EATS

Our first Eastern Eats event at Beefacres Reserve in Windsor Gardens showcased Asian food and culture with a variety of delicious cuisines and engaging activities. Attendees participated in origami workshops, Tai Chi demonstrations and performances by the San Ureshi musical trio, creating a true sense of community.
