## TERMS AND CONDITIONS

### Limit on number of bee hives

A person must not, without the permission of the Council, manage, keep or cause, suffer or permit to be kept, more than two (2) bee hives on any premises.

The Council (or its delegate) may require that the premises, which are the subject of an application for permission to keep more than two (2) bee hives, are inspected by an authorised person for the purpose of assessing the suitability of the premises for keeping additional hives.

The Council must consider the following matters in determining whether or not to grant permission:

- Whether a nuisance is caused or has been caused, or is likely to be caused, to any neighbour as a result of the keeping of bees on the premises
- The nature and size of the premises and proximity to neighbouring premises
- Any other matters the Council (or its delegate) considers should be taken into account.

The City of PAE officers may inspect the property at any time to ensure that the conditions of the approval are being complied with.

Any breaches of these terms and conditions may result in cancellation of this permit.

## APPLICANT DECLARATION

I understand that permission to keep more than two bee hives will only be granted subject to approval by an authorised person of the City of PAE. I also understand that City of PAE may revoke this permit at any time by way of notice in writing stating the reason for revoking the permit.
