PORT ADELAIDE ENFIELD

PEOPLE MADE

Mayor CLAIRE BOAN

Welcome to the Spring edition of our quarterly newsletter. With longer and warmer days, now is the perfect time to get together in one of our parks or reserves for a family picnic, a community gathering, a game with friends or a gentle stroll. In this edition, you'll find information about all the events and initiatives taking place across PAE in the coming months.

We are nearing completion on some major projects. These include new club rooms at Greenacres Reserve, which will be available for use by four local clubs throughout the year, and new facilities at TK Shutter Reserve, providing better sporting opportunities for local clubs and fresh, new spaces for everyone to use and enjoy.

Meanwhile, the State Government recently completed the new Port Adelaide Spur line, making it easy for residents and visitors to catch the train right into the heart of Port Adelaide. You can read more about this, along with our own role in the project, in this issue.

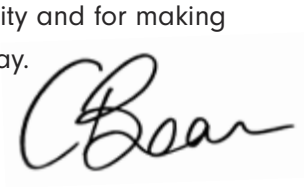

Have you heard about our new City Vision and our People Made campaign? Through the People Made campaign, we are excited to showcase the contributions that PAE residents make to their community. We have also refreshed our website to make it easier for you to access the services and information that matter most to you. Read more about all of this on the following pages.

This spring, we are continuing several greening initiatives to care for our environment and to increase our tree canopy, including a number of community planting events. While we continue with our own planting program, we also support community groups who do incredible environmental work right around PAE. To learn more or to get involved, visit the environment page on our website (cityofpae.sa.gov.au/environment).

On a sombre note, I mention the passing of community campaigner Helen Oxenham, founder of Spirit of Women. Her tireless campaigning to improve the lives of people who have experienced domestic violence will continue through the legacy she has left us with, including the Place of Courage Ripple monument and reflection space, which recently opened at Stockade Park in Northfield.

We are proud to foster a sense of unity in our City. This spring, let's work together to make the season a time of joy, sharing life with one another.

Thank you for being an essential part of our wonderful community and for making our City better every day.

ACKNOWLEDGMENT OF COUNTRY

The City of PAE acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains and pays respect to Elders past, present and emerging. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kaurna people living today.

WIN A FIFTY DOLLAR VOUCHER

JOIN OUR ADVENTURE HUNT

Big thanks to all who participated in our autumn adventure hunt – Margot from Windsor Gardens was our winner! This spring, join the hunt again for a chance to win a $50 voucher to use in your local area. There are floral blooms hidden throughout the pages of this edition — how many can you find? Scan the QR code to enter, and then let us know how many you've spotted. The lucky winner will be drawn from all correct entries. For more information, scan the QR code or call **8405 6600**

Entries close 5pm Friday 11 October 2024. Winner drawn Monday 14 October 2024.

GET TO KNOW YOUR ELECTED MEMBERS — ENFIELD WARD

The City of PAE apologises to Councillor Carol Martin OAM and Councillor Barbara Clayton for the incorrect publication of their Councillor profiles in the Winter Edition of PAE Today, which was distributed to households throughout the City of PAE. The corrected version is available below.

Cr. BARBARA CLAYTON

Where were you born? I was born at Calvary Hospital, North Adelaide.

How long have you lived in PAE?
I've lived here all my life. Mum and Dad raised my sister and me in Kilburn.

Which suburb do you live in?
I live in Blair Athol with my family.

Which local groups are you involved with? I am involved with many of the wonderful groups and clubs in Enfield Ward and I am proud to be Patron of Regency Community Men's Shed.

What local matters are you passionate about? I am passionate about improving reserves and playgrounds, greening and beautifying our city and stopping inappropriate high-rises.

What is the best piece of advice you have been given? My mum taught me the Serenity Prayer when I was young. It has guided me well in life. As an adult I still often reflect on the words..."God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference."

Cr. OLIVIA COLOMBO

Where were you born? I was born in Adelaide.

How long have you lived in PAE?
I've lived here for four years.

Which local groups are you involved with? I'm involved in the Kilburn Football and Cricket Club, Enfield Tennis Club and the Kilburn RSL.

What local matters are you passionate about? Illegal dumping across Enfield Ward, open space and playground upgrades, road and footpath upgrades, and our Materials Recycling Facility.

What are your favourite things to do in your ward? Eating at the local cafes, and enjoying my Sunday morning coffee at Hayley's Flower Shop.

What is the best piece of advice you have been given? Follow your intuition.

Cr. CAROL MARTIN OAM

Where were you born?
I was born in Carlton, Victoria.

Which suburb do you live in?
I live in Blair Athol.

How long have you lived in PAE?
I have lived here for 40 years.

Which local groups are you involved with?
Ovarian Cancer Challenge Inc, Kilburn Football and Cricket Club, Coordinator Neighbourhood Watch Kilburn, Clearview Senior Citizens, Enfield Tennis Club, Enfield RSL, Kilburn RSL, Cheryl Bradley Dance Studio, Blair Athol B – 6 School community, Welcoming Australia and U3A.

What local matters are you passionate about? Ensuring our voice is heard in any planning reviews and public consultations.

What are your favourite things to do in your ward? Having a smoothie/gelati at one of the many local businesses!

What is the best piece of advice you have been given? Always follow the golden rule (treat others how you like to be treated) and always keep an open mind.

ELECTED MEMBER CONTACT DETAILS

At the City of PAE we have a Mayor and 17 Elected Members. They are your local community representatives and you can contact them if you have any concerns, ideas or issues you would like to discuss.

Give us a call on **8405 6600** to ask about your local Elected Members, or find their contact details at **cityofpae.sa.gov.au**

PEOPLE MADE

There's something new in the air at PAE, and it's not just spring. Recently, we unveiled our new City Vision. Along with this we also launched a new logo and brand campaign that reflect our City Vision and celebrate our community.

PEOPLE MADE

Our new logo and brand are deeply intertwined with our City Vision. The interlocked letters of the logo symbolise connectivity and unity, reflecting our aspiration to be a community that comes together to shape its own destiny. Meanwhile, the People Made brand campaign celebrates the diverse contributions that PAE residents make to the community. Guided by the City Vision and supported by the new logo and People Made campaign, we are embarking on a journey towards a brighter future for PAE – one that celebrates the transformative power of people.

ROADMAP FOR THE FUTURE

The City Vision is our roadmap for the next decade. It describes our aspirations and it guides our decision making, planning and delivery over the next 10 years. Through it, we are aiming to build a thriving community in a clean and green city, filled with places that people love and a prosperous economy. These four key goals will help us achieve our collective commitment to building a welcoming, liveable city, made by people.

REQUESTING A SERVICE

While we're on the topic of new things, did you know that through our refreshed, new-look website you can request a service, register your dog, apply for a grant, find out more about hiring a place or space, pay a bill, book a hard waste collection – and more?

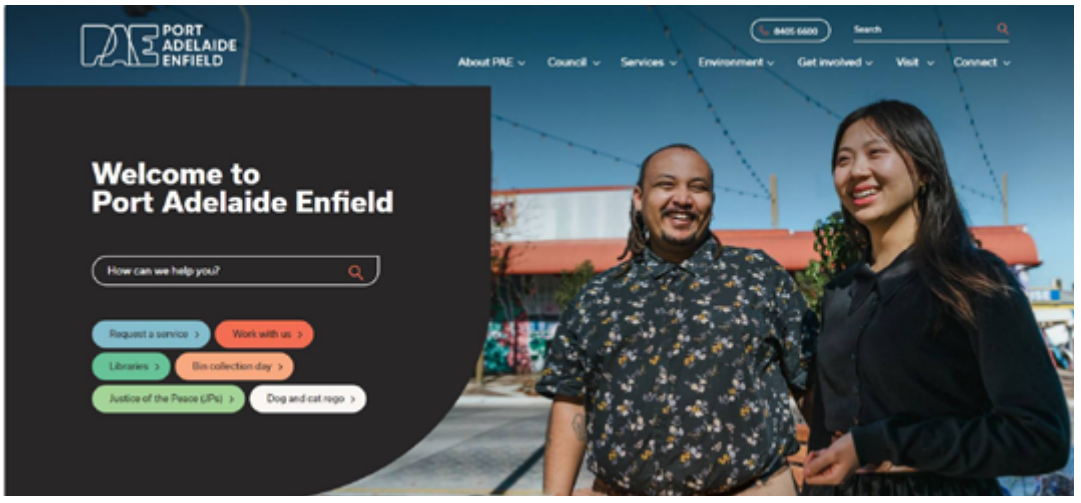

Requesting a service through our new website is easy. Whether you'd like to request us to prune a council tree on your street, apply for a voucher to reduce the cost of desexing your dog, report an abandoned or illegally parked vehicle, or order a roll of compostable biobags for your kitchen caddy, you can do it all through an online request. Remember – if you have accessibility needs, you can use the Accessibility Menu to improve your navigation experience.

Many of our services are available for you to request online 24/7, so why not try it out for yourself? Or simply explore our new-look website to learn more about PAE. We are constantly working to improve our online services at PAE and will be introducing a brand-new customer portal in the near future to make your online experience even smoother.

ENVIRO EXCELLENCE

TOWARDS GREEN STAR CERTIFICATION

Construction of Yitpi Yartapuultiku (pictured), our new Aboriginal Cultural Destination, is underway and we are proud to announce that we are working towards Green Star certification to ensure that the project is environmentally sustainable. This means that the process of constructing the centre and its surrounds will include restoring and protecting the area's biodiversity and its unique ecosystems to reduce the impact of climate change. By building a resilient, energy-friendly building and surrounds, we will create a community space for healthy, active living for everyone.

When Yitpi Yartapuultiku complete, PAE will join an increasing number of organisations across South Australia that are preparing for future challenges by demonstrating a high standard of design, construction and operation with a focus on environmental and social outcomes.

THE GRASS IS GREENER

VERGE MAINTENANCE PROGRAM

With the longer days and warmer weather, trees and plants go through an amazing growth spurt, and wherever you look, you're likely to see beautiful green shoots. This includes the grass on your verge (or nature strip).

To ensure that your verge remains a safe space for pedestrian movement, our street team provides a verge maintenance service, aiming to mow most nature strips across our city six or seven times a year. However, at this time of the year the grass grows more quickly than usual, so we are always happy for you to maintain your verge between our visits if you can.

Once we have mowed the verges on your street, we follow up with a street sweep to prevent any grass cuttings and debris from entering the stormwater system. We also provide a twice-yearly weed spraying service and an annual water-table edging service on the road side of the verge.

Check our weekly news video on social media or our website for updates on when our street team will be in your area.

NEW NATURE PLAYGROUND

A new nature play space is now open in Queenstown. The playground includes two trampolines, climbing net and frames, log and rock scramble sets, skywalker climbing towers, slides, a bird nest, a double set of swings, water and sand play areas, new seating, a new shelter and picnic setting, plus a large stone and lawn amphitheatre. The entire area is linked with a crushed rock path network.

This playground is unique for PAE. For historical reasons, Queenstown has the lowest amount of open space anywhere in the entire city, so we have been looking for a different way to create a play space in the area. That's why, when Alberton Primary School approached us a few years ago for assistance with renovating their playground, we agreed to a joint funding and partnership arrangement with the school and State Government. This means that when the playground isn't in use by the school – for example, before school, after school and on weekends – it will be open for the community.

We are always searching for innovative ways to create opportunities for play in suburbs where land is limited, so this is a win for both the school and the community alike!

NATURE FESTIVAL IS BACK FOR 2024

Get ready to immerse yourself in the wonders of nature at the Nature Festival, running in South Australia from 28 September to 13 October. This event features a diverse program of free and ticketed activities designed to celebrate our natural environment in positive, creative and meaningful ways.

Bringing together local artists, environmental organisations and nature experts, the festival offers plenty of different experiences to connect people to nature.

From the latest technology using Virtual Reality (VR) and Artificial Intelligence to opportunities encouraging you to unplug and engage with the environment, the Nature Festival is all about deepening our personal and collective relationship with nature. Activities will take place at various locations across the state, including PAE, so you are sure to find something close to home.

Folland Park Tours

Wed 2 Oct | 10am – 11am

Wed 9 Oct | 7.30pm – 9pm

Come on a guided nature walk and learn about the cultural history, heritage and environmental significance of Folland Park in Enfield.

Moving Mountains, by Haris Koutlakis

'Moving Mountains' is a large-scale temporary sculpture project by SA artist Haris Koutlakis. Using painted canvases draped over suburban playgrounds, the project reimagines these spaces as dynamic sculptural environments. The installations will be on display over two weekends during the festival, inviting you to experience playgrounds in a new, artistic light.

This initiative is part of Open Space Contemporary Arts's Projects of the Everyday, showcasing innovative public art. It is supported by Arts South Australia, Creative Australia, Nature Festival and the City of PAE.

Labyrinth, Roy Marten Park

Encounters and Connections

Tues 1 Oct | 10am – 12pm

Tues 8 Oct | 2pm – 4pm

'Notia' is the practice of noticing everyday beauty with the eyes of the soul. This event is an opportunity to explore the Coastal Native Food Plants Labyrinth at Roy Marten Park by spending a morning or an afternoon absorbing the energy, mystery and natural beauty of the plants of the labyrinth. Be prepared to awaken your senses! Each activity for this event is designed to renew our sense of awe and wonder.

Port Environment Centre

Coastal Dunes Walk in Spring, Semaphore

Sun 29 Sep | 10am – 12pm

Walk the coast path from Semaphore to Taperoo with volunteers from local dune groups who will help you learn about the plants and animals of this beautiful place.

Nocturnal Marine Animals Night Tour, Port Adelaide

Tue 1 Oct | 9pm – 10.30pm

Come along for a nocturnal adventure with Peter Hunt from the Malacological Society to learn about the night-time inhabitants of the Port River. Many estuarine species hide themselves away during the day when dolphins and other predators are out and about, so this is a chance to get a glimpse of creatures that you might not otherwise see.

Plant Magic: Meeting and Making Botanical Links, Queenstown

Sat 12 Oct | 1pm – 4pm

Learn how to extract colours from a plant. Guided by artist Reb Rowe, this three-hour immersive experience gives you the chance to brew up your own botanical inks and unleash them onto the page.

SA Marine Life Virtual Reality Experience

Sun 13 Oct | 10.30am – 1.30pm

During this special event at the Port Environment Centre, Experiencing Marine Sanctuaries will offer a fully immersive VR experience. Put on a pair of VR goggles and dive into the marine life of the 'Great Southern Reef.' You'll encounter colourful giant Australian cuttlefish, grey nurse sharks, sea lions and sea dragons, and experience scuba diving under the Rapid Bay jetty, surrounded by other divers and large schools of reef fish.

REGENCY GOLF COURSE UDPATE

Our commitment to biodiversity and urban cooling is paying off at Regency Park Golf Course. Maintained by our own horticultural teams, the course provides not only a great recreation space, but also an incredible natural green space full of plant and animal life.

The golf course sits right next to the South Road overpass, breaking up the surrounding residential and industrial area with a lush green landscape. One of three golf courses owned by the City of PAE, this urban oasis has over 30 different species of trees, shrubs and grasses, contributing to a thriving ecosystem within the course. Irrigated grass sits alongside patches of native grass strategically placed throughout the area. This thoughtful planning not only enhances the golfing experience but significantly aids in cooling the local conditions during summer months.

The course also serves as a habitat for numerous woodland birds and pollinating species. The Atlas of Living Australia's records indicate that Regency Golf Course is home to at least three microbat species, four bird species, one reptile species, one frog species and three insect species, although we suspect this number to be much higher!

Regency Park Golf Course serves as a shining example of how biodiversity can thrive alongside recreational spaces – to benefit golfers, walkers, wildlife and the environment as a whole.

PLANTING SEASON

The launch of the planting season began this June with a community planting day at Stockade Botanical Gardens, Northfield, in partnership with Green Adelaide and Trees For Life. More than 80 people participated, volunteering their time to plant a mixture of 2,000 native trees, shrubs and grasses to improve the biodiversity condition in the area. Also enjoying the event were many families and individuals, who were treated with live music, face painting, a free lunch and native plant giveaways, with about 100 trees going to local residents to plant in their own yards. With support from PAE and Green Adelaide, planting then continued throughout the following months in locations as varied as the Semaphore and Largs dunes, the Dry Creek Trail and Ottoway.

There are planting events scheduled throughout PAE from June to August each year, helping to restore habitat, provide homes for wildlife and even create habitat to attract butterflies. There are also other nature activities that you can get involved in throughout the year, so visit our website to find an Environment Group close to you. Meanwhile, if you're interested in volunteering for the planting season in 2025, contact us at **environment@cityofpae.sa.gov.au** and we'll sign you up to an event close to you.

SEASONAL RECIPE

SPRING VEGGIE FRITTATA

Ingredients:

- 6 large eggs
- 1/4 cup milk
- 1 cup baby spinach, roughly chopped
- 1/2 cup cherry tomatoes, halved
- 1/2 cup asparagus, cut into 2 – 3cm pieces
- 1/4 cup grated Parmesan cheese
- 1 small red onion, thinly sliced
- 2 tablespoons olive oil
- Salt and pepper to taste

Method:

1. Preheat your oven to 180°C.
2. Heat 1 tablespoon of olive oil in an ovenproof frying pan over medium heat. Add the sliced red onion and cook until softened, or for about 3 to 4 minutes. Add the asparagus pieces and cook for another 2 or 3 minutes until the pieces start to soften. Then add the cherry tomatoes and baby spinach, cooking until the spinach wilts, for about 2 minutes. Season with a pinch of salt and pepper, and then remove from heat.
3. In a medium bowl, whisk together the eggs, milk and half of the grated Parmesan cheese. Season the egg mixture with a pinch of salt and pepper.
4. Pour the egg mixture over the cooked vegetables in the frying pan, gently stirring to ensure even distribution. Cook on the stovetop over medium heat for about 3 to 4 minutes, until the edges start to set but the centre is still runny.
5. Sprinkle the remaining Parmesan cheese over the top.
6. Transfer the pan to the preheated oven and bake for 10 to 12 minutes, or until the frittata is puffed up and golden brown and the centre is set.
7. Let the frittata cool for a few minutes before slicing. Serve warm or at room temperature – perfect for a spring brunch or light dinner.

If you have a cherished recipe that you'd like us to feature, please email it through to **communications@cityofpae.sa.gov.au** and include a brief description explaining why this recipe is significant to you.

WE ALL SCREAM FOR ICE CREAM

LARGS BAY PLAYGROUND

Get ready for some ice cream–filled fun at the new accessible playground on Largs foreshore. This project began when we worked with students and teachers from Adelaide West Special Education Centre in February 2023 to find out what play elements they most enjoyed, along with what supporting infrastructure would make it possible for them and their families to visit local playgrounds. We incorporated their ideas and preferences into the draft concept plan, which we shared with primary school students from Largs Bay School in April 2023. The primary school students voted on which play equipment within the design they liked the most and shared their overall feedback about the ice cream theme and planned upgrades.

Thanks to Iguana Creative, Dirtworks and Surfacing Contractors Australia for working with us to construct and bring this very special playground to life.

With a new accessible toilet and change room to open next door to the playground soon, you can find out more at **participate.cityofpae.sa.gov.au/largs-bay-playspace**

NEW WORK EXPERIENCE PROGRAM

EXPLORE A CAREER IN LOCAL GOVERNMENT

In 2024 the City of PAE launched our new Work Experience Program, a biannual program that takes place in June and September.

Over the course of five days, students immerse themselves in the diverse array of jobs here, gaining hands-on experience. The students spend time with various departments, including libraries, sport and recreation, community services, communications and media, parks and gardens, community engagement, wellbeing and our field teams.

Students from the June program said:

- 'I enjoyed meeting new people and hearing about what they do and how they got to where they are'
- 'Seeing the various jobs involved at PAE was interesting'
- 'The council does a lot more than I expected'

Do you know a young person who wants to discover what a career in local government is like? Applications for the 2025 programs are now open for Year 10 and 11 students who live or study in the City of PAE.

For more information or to apply, visit **cityofpae.sa.gov.au/connect/employment/workexperience**

BECOME A VOLUNTEER WITH PAE

GOT A FEW SPARE HOURS?

There are plenty of volunteering opportunities at PAE. For example, you can:

- Take a dog for a walk or to the vet to help owners who are struggling to care for their pet (through the People and Pets Project)
- Drive a community bus or van to take people to their medical appointments or to the hospital
- Become one of our much-loved Grafters, who remove graffiti from properties across PAE
- Prepare and serve a hot meal to people in need at the popular weekly Lefevre Community Lunch

We are always looking for people who are keen to volunteer their services and take an active part in the community. Volunteers can choose from over 20 different roles and they receive training, insurance and reimbursement where relevant. If you think you can spare a few hours each week or fortnight, phone **8405 6871** or to find out more, email **volunteers@cityofpae.sa.gov.au**

AUSTRALIA DAY AWARDS

CALLING FOR 2025 NOMINATIONS

Who makes a difference in your community? From September 2024, we will be calling for nominations for the 2025 Australia Day Awards, which are conducted in conjunction with the Australia Day Council of South Australia. Nominations close in November 2024. To nominate someone who makes a difference in your community, visit **cityofpae.sa.gov.au/get-involved/recognition-awards**

PAE'S CHRISTMAS PARADE

APPLICATIONS NOW OPEN

The PAE Christmas Parade is back in 2024 and will take place on Sunday 1 December. If you are a local community organisation or business, now is the time to get thinking about how you can be a part of the parade:

To find out more or to apply or participate, visit **cityofpae.sa.gov.au/visit/major-events/christmas-parade**

- To be in the parade, complete an application form by 12pm on Monday 7 October 2024
- Apply for a financial contribution of up to $250 per organisation/entry towards the cost of costumes, flags, decorations and floats used
- Participate in the Holly Jolly Costume Swap, a free secondhand costume service available to members of the community in the parade.

Donations will open in November, so keep an eye out for more info

LOCAL ARTIST SPOTLIGHT: SANDIE CARLESS

FROM VOLUNTEER TO ENTREPRENEUR

PAE Libraries are excited to highlight the journey of Sandie Carless, a long-time resident of the PAE community and dedicated volunteer at the Kilburn Community Centre.

Sandie began her artistic journey creating beautiful mosaics, but after attending a Cutlery Creations workshop through PAE Libraries in 2022, she was inspired to explore making cutlery jewellery. She then attended Makers' Advisory sessions, bringing friends from the Kilburn Community Craft Group, and participated in the first Makerspace Market in 2022.

Sandie has now established a business workshop dedicated to cutlery jewellery and other artistic creations. Her journey from workshop attendee to business owner is a testament to the thriving and supportive creative community within PAE.

The Makerspace at the Parks Library is a dedicated area where community members can learn, create and innovate. Filled with tools and technology, including laser cutters and 3D printers, it's a hub for creativity and skill development. Best of all, it's free! Find out more through our PAE Libraries website, or discover a new passion, host a stall or simply enjoy the event at the 2024 Makerspace Market.

PORT DOCK RAILWAY

NEW PORT DOCK RAILWAY LINE NOW OPEN

Train services have returned to the heart of Port Adelaide following the opening of the Port Dock Railway Line on Sunday 25 August 2024. The 1km rail line links Port Adelaide's commercial centre and residential precinct to the Adelaide CBD and includes a new plaza at Baker Street, a new bus interchange near the Lipson Street car park and landscaping around the station, plaza and along the rail corridor. The project was completed by the State Government's Department for Infrastructure and Transport.

The project has improved pedestrian and cycling access in the surrounding area, enhancing connectivity to the Outer Harbor Greenway. This included new pedestrian refuges at St Vincent Street, streetscape upgrades (including placing new on-road line marking to indicate new cyclist sharrows) to Baker and Barlow Streets, and improved landscaping around the project area. .

To support the new connections, we have further improved accessibility by upgrading pathways at Baker Street, between the new plaza and St Vincent Street, and upgrading footpath pavements at Lipson Street, providing connection to the new bus interchange and upgraded Lipson Street car park.

The new bus interchange near the Lipson Street car park further enhances the area by diverting buses from their old stops along Commercial Road, removing bus congestion and allowing clearer vehicle access and improved pedestrian safety. This opens up shopfronts along this key shopping precinct.

As local and state governments work together to revitalise the Port, the new integrated rail and bus services have made it easy to access this important destination and its local tourist attractions. The rail line will contribute significantly towards the ongoing renewal of the Port Adelaide precinct. For more information about train and bus services please visit **adelaidemetro.com.au**

THE MAGIC CIRCLE

CREATING A LOCAL CIRCULAR ECONOMY

With the creation of the new 883m-long retention wall in Semaphore, PAE is leading the way in creating a local circular economy. The wall, which is made entirely from recycled materials, protects the coastline from erosion, replacing the old fence, which was heavily damaged during a storm a couple of years ago. The new fence uses over 105,000kg of reclaimed timber and recycled plastic, repurposing the equivalent of more than 1 million two-litre plastic milk bottles and diverting around 3,680 cubic metres of plastic from landfill.

Designed, manufactured and supplied entirely in SA, this cutting-edge, environmentally sustainable fence is chemical-free, low maintenance, durable and user-friendly. Unlike wood and steel products, it poses no risk of sharp edges or splinters. To build the fence, we worked alongside APR Composites, a local business that repurposes local waste material into high-quality products like boardwalks, bollards and outdoor furniture. With over 1 million kilograms of plastic repurposed annually, APR Composites is at the forefront of helping us create innovative uses for materials as we continue to create a local circular waste economy.

SPRING CLEAN

PAE'S HARD WASTE DISPOSAL SERVICES

If you are a resident of PAE, you are eligible for up to three hard waste services per year, which may be a combination of kerbside collections and drop-off vouchers. If you are a community group, church, not-for-profit or sporting group, you are eligible for two drop-off vouchers per year. The drop-off location is the Beverley Recycling and Waste Centre, located at 2 – 4 Toogood Ave, Beverley.

We are currently also piloting a mattress-only collection service, to help you dispose of (up to three) mattresses easily, with a maximum of two collections per year. Business, commercial and industrial premises are not eligible for these services.

To book a kerbside hard waste collection or a drop-off voucher:

- Complete the online form, or
- Call our waste contractor, Cleanaway, on **1800 777 844**

To book a mattress-only collection:

- Complete the online form, or
- Call us on **8405 6600**, or
- Visit one of our libraries

BREAST SCREEN SA IS VISITING OSBORNE

CHAMPIONING WOMEN'S HEALTH

In April 1988, when PAE resident Helen Wright discovered a lump in her breast, she initially put off doing anything about it. When she finally saw her GP, she was sent for further tests and subsequently received a diagnosis of breast cancer. She then had a total mastectomy, followed by breast reconstruction six months later. She encourages all women over the age of 40 to take advantage of the free screenings offered by BreastScreen SA.

'It is important that women know how to self-check, do it regularly and look at their breasts in a mirror and know what is "their" normal,' she said.

BreastScreen SA's free screening service aims to detect breast cancer at an early stage. This improves the treatment options and health outcomes for South Australian women.

Screening mammograms involve completing an Information and Consent for Screening form and taking it to your appointment. Vanessa Gaston-Gardner, City of PAE's own Health and Wellbeing Co-ordinator who has had a mammogram every two years following an ovarian cancer diagnosis says that the process, which takes about 10 minutes or less, may be uncomfortable for a short time but is worth it for peace of mind.

Did you know:

- A breast screen (screening mammogram) is the most effective screening test for breast cancer
- BreastScreen SA invites women aged 50 – 74 to have a mammogram every two years
- Women aged 40 – 49 and over 75 can also make an appointment
- Nine out of 10 women diagnosed with breast cancer have no family history of the disease
- All women are encouraged to see their GP if they notice a change in their breast that is not normal for them

BreastScreen SA's mobile screening unit will be visiting Lefevre Community Stadium from **Thursday 7 November until Thursday 28 November**. To make a free appointment online at **breastscreen.sa.gov.au** or by calling **13 20 50**

WHEN GOOD NEIGHBOURS BECOME GOOD FRIENDS

NEIGHBOURHOOD WATCH IN PAE

Community spirit and safety are more important than ever. There are Neighbourhood Watch groups right around PAE, forming a collective effort to make local neighbourhoods a safer and more connected place to live.

One of the primary goals of a Neighbourhood Watch group is to prevent crime, but they also have a profound impact on building the local community through involvement of councils, police, community centres and other organisations.

Local neighbourhood watch groups are a shining example of the great outcomes that can be achieved by bringing people and community organisations together to make a difference. A close-knit community is a resilient one.

To find a Neighbourhood Watch near you, visit **police.sa.gov.au/neighbourhood-watch**

OUT & ABOUT

COASTAL SOUNDS

Coastal Sounds debuted in the City of PAE over the June long weekend. Partnering with the City of Charles Sturt, we presented a celebration of music, art and dance events along 13km of coastline from West Beach to Semaphore. Local businesses joined in the festivities, offering various attractions and celebrating community and culture along the coast.

SNEAKY THINGS SNEAKER FESTIVAL

We celebrated the first Sneaky Things Sneaker Festival at the Lights Community and Sports Centre, featuring a Sneaker Art Marketplace, live customising, and sport and dance workshops.

MELTFest

MELTFest premiered in August, transforming Klemzig Oval and the streets of Port Adelaide into winter wonderlands. The event celebrated winter's charm with a fun and lively atmosphere.

VOLUNTEER AWARDS

On Thursday 24 May we celebrated National Volunteer Week at Glanville Hall to honour our dedicated council volunteers, who collectively contributed over 25,000 service hours this past year. Mayor Claire Boan presented recognition awards to long-term volunteers, and we also acknowledged 80 volunteers who had contributed one year of service and nine volunteers who had contributed for five years. Congratulations to all!
