STORMWATER CONNECTION (KERB OUTLET) AUTHORISATION FORM

PORT ADELAIDE ENFIELD

USE THIS FORM IF YOU ARE

- Proposing a new stormwater connection
- Proposing to alter the existing stormwater connection
- Proposing a secondary stormwater connection

IMPORTANT INFORMATION

Authorisation requirement:
You must obtain Council authorisation before undertaking any works on Council land. This may be in the form of Development Approval or a written Authorisation email from Council.

Exemption:
If your development has been granted full Development Approval from Council, you do not need to complete this form or apply for any additional permits (Section 221 Authorisation or Section 222 On-Street Activity Permit), as these works are already covered under your Development Approval.

Penalties for non-compliance:
Failure to comply with Development Approval conditions, Council specifications, or to obtain the necessary authorisations and permits, may result in compliance action, including expiation notices.
