TERMS AND CONDITIONS

A permit is required to keep more than 2 dogs. All dogs must be registered.

The City of PAE officers may inspect the property at any time to ensure the conditions of the approval are being complied with.

The permit is only valid for the dogs listed on this application. Should a dog leave the property, we must be notified within 14 days and if the amount of dogs no longer exceed the permitted number of dogs allowed then the permit will be cancelled.

Please note: You cannot replace a dog with another dog that is not listed on this application.

Should we receive any complaints relating to the dogs kept on the property, the permit may be revoked at any time.

These complaints may include but not limited to: dog noise, smell created by dogs, dog attacking, dog wandering off the property and exceeding the approved number of dogs.

Permits are not transferable from property to property; therefore if you move to another property you will need to apply for a new permit.

Any breaches of these terms and conditions may result in cancellation of this permit.
